## PREFACE.

—:O:—

The intention of the Editor in preparing this volume has been to present, in a concise and useful form, a variety of legal, parliamentary and general information, together with a complete Law-List for the Dominion ; the whole compiled from the latest official and other authoritative sources.

The value of such a volume depends of course upon its accuracy, and it is to be hoped that in this respect a satisfactory result has been attained. It is scarcely to be expected, however, considering the difficulty with which much of the information, especially regarding the western provinces, was obtained, that error and omission have been entirely avoided. The Law-Lists of Manitoba, the North-West Territories and British Columbia are for the first time presented to the public, and the Editor trusts that they will be found as accurate as could be expected under these circumstances.

The Indexes have been prepared with the greatest care, they being considered a very important part of this volume.

The Editor is under obligation to the officers of the Departments of Justice and of State of Canada, and to those gentlemen as well as to others who have rendered him assistance in his onerous task, he desires to express his sincere thanks.

LOUIS-H. TACHÉ.

### Valuable Information for Business Men.

#### PROMISSORY NOTES.

A Negotiable Note must be made payable either to bearer, or be properly endorsed by the person to whose order it is made. If the endorser wishes to avoid responsibility, he can endorse "without recourse."

A Joint Note is one signed by two or more persons, who each become liable for the whole amount.

Three Days' Grace is allowed on all time notes, after the time for payment expires; if not then paid, the endorser, if any, should be legally notified to be holden.

Notes falling due on Sunday, or on a legal holiday, are paid the day following.

Altering a Note in any manner by the holder makes it void.

Notes dated Sunday are void.

Notes given by Minors are void.

The Maker of a note that is lost or stolen is not released from payment if the amount and consideration can be proven.

An Endorser has a right of action against all whose names were previously on a note endorsed by him.

### THE COLONIAL OFFICE, LONDON.

#### STAFF.

Secretary of State—Rt. Hon. Sir H. T. Holland, G.C.M.G., M.P.

Private Secretaries—Mr. W. A. Baillie Hamilton and Mr. H. W. Just.

Parliamentary Under-Secretary—Earl of Dunraven.

Private Secretary—Mr. F. Graham.

Permanent Under-Secretary—Sir Robert G. W. Herbert, K.C.B.

Private Secretary—Mr. C. P. Lucas.

#### THE SECRETARY OF STATE FOR THE COLONIES.

The office of Secretary to the Sovereign dates at least from the reign of Henry III. There was one principal Secretary only (who was already called

Secretary of State) down to 1539, when a second was appointed. From 1708 to 1746, a third Secretaryship existed, dealing exclusively with Scotland.

In 1768, a Secretary of State for the American, or Colonial, Department was appointed, in addition to the two principal Secretaries of State then existing; but this new office was abolished in 1782 by Statute 22 George III, cap. 82.

In 1782 the duties of the two principal Secretaries of State were divided into "Home" and "Foreign;" the affairs of Ireland and the Colonies devolving on the Home Department: those of the Colonies being placed in the charge of a separate branch of the Department called "the Office for Plantations," and being at first managed by a separate Under-Secretary.

At its commencement in 1793, the affairs of the French War were managed by the Home Department, but in 1794 a principal Secretary for War was appointed, and the business of the Colonies was, in 1801, transferred to this new Department, which thenceforth was generally known as the Colonial or Colonial and War Department.

In 1854 a fourth principal Secretaryship of State was created for War, and the affairs of the Colonies came under the exclusive charge of a principal Secretary of State.

In 1858 a principal Secretaryship of State was created for the affairs of India.

#### COLONIAL OFFICE REGULATIONS.

##### *Interchange of Visits between Officers of H.M.'s Ships and Governors, Lieutenant-Governors, Administrators, and Presidents of Colonies.*

1. A Governor is to receive the first visit from all Naval Officers in command.
2. A Lieutenant-Governor is to pay the first visit to a Flag Officer or Commodore of the First Class, being a Commander-in-Chief, but to receive the first visit from all other Officers.
3. An Administrator or President is to pay the first visit to all Flag Officers or Commodores, but to receive the first visit from all other Officers.
4. Return visits to be paid within 24 hours, and in person, to all Flag Officers, Commodores, Lieutenant-Governors, Administrators, and Presidents; but by an Aide-de-Camp or other Officer deputed by the Governor, Administrator, or President, as the case may be, to all other Naval Officers.
5. Should the Governor or any other Officer administering the Government of a Colony find that from indisposition or pressure of important business, he is unable to pay or return these visits in person, he will depute his Aide-de-Camp or some other officer to do so. In like manner, should a Flag Officer or Commodore from indisposition or pressing occupation be precluded from paying or returning these visits, he will depute his Flag Lieutenant, or other Officer not below that rank, to do so. In each case, the Officer failing to pay the required visit in person will report the circum-

stance, and assign the reasons which led to the omission, to the Department under which he is acting.

6. Officers acting temporarily in higher civil offices or commands are in respect to these visits to be upon the same footing as if they were confirmed in such offices or commands.

7. The Senior Naval Officers present will arrange, when necessary, to provide suitable boats to enable Governors, etc., to pay any official visits afloat, and to reland them, on their notifying their wishes to that effect.

#### *Use of Flags.*

1. The Royal Standard shall be flown at Government House on the Queen's Birthday, and on the days of Her Majesty's Accession and Coronation.

2. The Union Flag, without the Badge of the Colony, shall be flown at Government House from sunrise to sunset on other days.

3. The Union Flag, with the approved Arms or Badge of the Colony, emblazoned in the centre thereof, surrounded by a green garland, shall be used by Governors, Lieutenant-Governors, or Officers Administering the Government of Colonies or Dependencies, when embarked in boats or other vessels.

4. The British Blue Ensign, with the Arms or Badge of the Colony emblazoned on the fly, and the pendant, will be flown by all armed vessels in the employ of the Government of a Colony.

5. The British Blue Ensign, with the Arms or Badge of the Colony emblazoned thereon, but without the pendant, will be flown by all vessels which belong to or are in the service of the Government of a Colony, but not armed.

6. All other vessels registered as belonging to one of Her Majesty's Colonies or Dependencies will fly the Red Ensign without any Badge.

7. Whenever a requisition is received by any Officer in command of one of Her Majesty's ships for the embarkation or conveyance of a Governor, High-Commissioner, Lieutenant-Governor, or Officer administering the Government of a Colony or Dependency, the Senior Officer present may direct the special flag of such official personage to be hoisted at the foretop-gallant masthead of the ship in which he is embarked; provided that he, after consultation with, and on requisition from, that official, considers it for the benefit of the service about to be performed that such flag should be hoisted, and provided that, it is only hoisted or carried within the limits of His Government or High Commission in which he would be entitled to be saluted under Article 18, page 4, of the Queen's Regulations and Admiralty Instructions, 1879.

8. If the Senior Officer considers it, in any circumstances, undesirable to hoist the Flag, he will inform the Governor, High Commissioner, &c., of his reasons, and will at once report the same to the Admiralty.

9. In the event of the Governor, High Commissioner, &c., of a Colony being detached on a Foreign Mission in his official capacity as Governor or High Commissioner, special instructions will be issued in each case as to the Flag which should be carried by a man-of-war in which he may be embarked; in the absence of which the Senior Officer present will exercise his discretion in consultation with the Official proceeding on the mission.

## GREAT BRITAIN AND IRELAND.

The United Kingdom comprises England, Wales, Scotland, Ireland the Isle of Man, and the Channel Islands. The executive power is vested in the Sovereign; the legislative in the Imperial Parliament. Parliament consists of the Sovereign, the House of Lords and the House of Commons. The assent of both Houses and the Sovereign is required for any Act to become law. The House of Lords is composed of peers who hold their seats—1st, by virtue of hereditary right; 2nd, by creation of the Sovereign; 3rd, by virtue of office (English Bishops); 4th, by election for life (Irish Peers); 5th by election for duration of Parliament (Scottish Peers). The House of Lords, in the session of 1886, consisted of 535 members. The House of Commons, in the session of 1886, comprised 670 members; 495 for England and Wales, 72

for Scotland, and 103 for Ireland. The Channel Islands, off the north-east coast of France, though belonging to the British Crown, have a certain independent status. The Isle of Man is governed by an independent legislature, consisting of two branches, the Governor and Council, and formerly by the House of Keys, now replaced by an elective body.

## NEWFOUNDLAND.

## SITUATION AND AREA.

This island is situated on the north-east side of the Gulf of St. Lawrence ; the greatest length from north to south is 350 miles, and average breadth about 130 ; its estimated area is 40,200 square miles. The coast of Labrador, on the continent, is now included in the colony. It comprises about 120,000 square miles, but has only 4,211 inhabitants.

## HISTORY.

The island was discovered by John Cabot in 1497. The French, about 1620, established a station at Placentia ; and for many years the French and English settlers were constantly annoying each other. At the Peace of Utrecht, 1713, subsequently ratified by the Treaty of Paris, the exclusive

sovereignty of Newfoundland was ceded to Great Britain, subject to certain rights reserved to France, which are still in question between the two nations. The French possess the small islands of St. Pierre and Miquelon, and the district is resorted to annually by a French fishing fleet from St. Malo. They claim the exclusive right to fish along certain portions of the coast from Bona Vista to Cape Riche, upon which they erect temporary structures for drying the fish. The exact extent of this right is in dispute, and there are other questions at issue as to magisterial jurisdiction, mines, harbours, and river fisheries. A proposal for the settlement of all the questions was agreed to in 1885 by commissioners representing France and England, but was rejected by Newfoundland, mainly on account of the provisions for the sale of bait.

#### INDUSTRIES.

The industries of the island—fishing, agricultural, and mining—are mainly confined to the sea coast.

The cod-fishery is the staple industry, and after this in importance rank the fisheries for seal, salmon, herring, and lobster. Haddock and mackerel are now only taken occasionally.

#### CURRENCY AND BANKING.

There are two banks in the Colony, the Union Bank of Newfoundland and the Commercial Bank of Newfoundland. There is also a Government Savings Bank at St. John's and Harbour Grace.

The legal tender currency is British sterling, United States gold and full weight dollars, gold doubloons, Mexican and other dollars, and Colonial coins. Much of the trade is carried on by barter. Accounts are kept in dollars and cents.

#### MEANS OF COMMUNICATION.

There is a railway from St. John's to Harbour Grace, 84 miles in length, constructed and worked by a private company. About 750 miles of postal and 1,700 miles of district roads are maintained. There are 994½ miles of telegraph open, and cables start for Europe (at Heart's Content) and America (at Placentia). There is a fortnightly mail service (except from January to March) with Liverpool, Halifax, New York, Montreal, and Prince Edward Island.

#### EDUCATION.

The Government system of primary education rests upon the Act of 1876. The central administration is vested in three superintendents, belonging respectively to the Roman Catholic, the Anglican, and the Methodist denominations. The local management is in the hands of elected boards. There are 480 schools, with 25,807 scholars. The schools are denominational (except Harbour Grace Grammar School), and fees are charged. Grants are also made in aid of secondary schools, but there is no provision for technical education.

## CHIEF TOWNS.

The capital is St. John's, with 38,145 inhabitants. The next port in importance is Harbour Grace, with a population of 14,717; but Fogo, with Twillingate, has 20,280; and Bona Vista 16,482 inhabitants.

## CONSTITUTION.

Newfoundland was the last of the North American Colonies to which responsible Government was conceded; it was established in 1855. The Government is at present administered by a Governor, aided by a Responsible Executive Council not to exceed 7 members, a Legislative Council not to exceed 15 members, and a House of Assembly of 36 members, elected by householders who have occupied a dwelling-house as owner or tenant for 1 year immediately preceding the day of election. There are 28,350 (exclusive of Burgisada Poile) electors registered on the electoral roll, and 17 districts, or sub-divisions of districts, of which 6 return three members; 4 return two members, and 7 return one. The ordinary duration of the Session is about three months, and it generally meets at the end of January. The public debt of Newfoundland was, in 1886, of \$1,549,313.12.

The population (census of 1884) was:

Males.....99,342 | Females...93,779 | Labrador...4,211 | Total.....197,332

A Federal Republic, consisting of 38 partially Independent States, 1 Federal District, and 8 organized Territories, occupies the central portion.

of North America, between the Atlantic and Pacific Oceans, in lat. 25°—49° N. and long 67°—124° 30' W. The area is estimated at 3,008,400 square miles, of which rivers and lakes cover 38,400 square miles. This area, however, is exclusive of the vast district of Alaska, in the extreme north-west of the continent, purchased from Russia, 30th March, 1867, comprising 577,390 square miles. Only one-fourth of the country is to any great extent in a state of cultivation.

The population of the whole of the States and Territories, according to the Census of 1880, was 50,152,866; inclusive of colored people, 6,580,793; settled Indians, 143,302; unsettled Indians, 179,332; Chinese, 105,468; and Alaska, 35,426; Germans, 1,966,742; Irish, 1,854,571; Canadians, 717,157; English, 662,676; Scandinavians; 440,262; Scotch, 170,136; Welsh, 83,302, and 519,254 of other Nationalities, in addition to which no fewer than 12,978,394 natives were of foreign parentage, every country under Heaven being represented. The total present estimated population is 60,000,000. The increase in the ten years, 1870-1880, was 11,594,495. In 1885 a census was taken in 12 states and territories, when it was found that their population had increased from 10,476,838 to 12,721,699, or to the extent of 214 per cent.

The financial condition of the United States of America exerts a great influence on that of other nations. The extensive trade transacted by the Union with all parts of the world necessarily reacts on the exchanges of the countries with which business is engaged in. Before the unfortunate internecine struggle that has happily become a matter of history, the debt of the States as a whole was, comparatively speaking, nominal. The following is a statement of the debt on the 1st of September, 1886:—

Four-and-half per cent. bonds .....	\$250,000,000
Four per cent. bonds and certificates .....	737,769,500

<b>Actual indebtedness ....</b>	<b>1,378,176,580</b>

During the fiscal year ending June 30, 1885, the debt was reduced by \$63,494,709.

The total decrease in the debt since August 31, 1863, when, after deducting the cash in the treasury, it amounted to \$2,756,431,571, to Sept. 1, 1886, has been \$1,378,254,991.

The Government of the United States is, by the Constitution, intrusted to three separate authorities—the Executive, the Legislative, and the Judicial. The Executive power is vested in a President, who is elected every four years, and is eligible for re-election. The mode of electing the President is as follows: Each state chooses, by popular vote, "Electors" equal in number to the Senators and representatives sent by that State to Congress. The electors for each State meet at their respective State Capitals, on a day appointed, and there vote for a President by ballot. The ballots are then sent to Washington, and opened by the President of the Senate in presence of Congress, and the candidate who has received a majority of the whole number of electoral votes cast is declared President for the ensuing term. If no one has a majority, then from the three highest on the list the House of Representatives elects a President. There is also a Vice-President, who is *ex-officio* President of the Senate; and, as in a late instance, on the death of the President succeeds to the office for the remainder of the term. In case of the disability of both President and

Vice-President, the Senator who may be president *pro tem.*, of the Senate, and after him, the Speaker of the House of Representatives, succeeds to the Presidency until Congress orders a new election.

The Legislative power is vested in two Houses, the Senate and the House of Representatives, the President having a *вето* power, which may be overcome by a two-thirds vote of each House. Two Senators from each State are elected by the Legislature thereof for the term of six years; and Representatives are chosen in each State, by popular vote, for two years. The number of Representatives for each State is allotted in proportion to its population, 1 for 154,325. The Senate consists of 76 members, and the House of Representatives of 325.

The Supreme Judicial Authority is vested in a Chief Justice and eight Justices, who are appointed for life by the President, by and with the consent of the Senate.

The following is a list of the 38 States included in the Union :—

Alabama, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Carolina, Ohio, Oregon, Pennsylvania, Rhode Island, South Carolina, Tennessee, Texas, Vermont, Virginia, West Virginia, Wisconsin.

It will be noticed that the Emperor of Brazil has reigned longer than any other Monarch, having succeeded to the throne in 1831, at the age of six years. Queen Victoria comes next, succeeding in 1837, at the age of eighteen years. The German Emperor is the oldest Sovereign, and the only one born in the last century. The King of Spain is the youngest Sovereign in the world. He succeeded to the throne on his birth, and is not yet two years old.

## THE DOMINION OF CANADA.

### CONFEDERATION OF THE PROVINCES.

1. In the year 1840, the two Provinces of Upper and Lower Canada were united under the name of the Province of Canada; called respectively, Canada West and Canada East. Twenty-seven years later, viz., in 1867, the British North America Act was passed by the Imperial Parliament, providing for the consolidation of the whole of British North America into one political confederation, under the name of the Dominion of Canada.

2. The Dominion, as at first constituted, was composed of the Provinces of Ontario and Quebec, (originally Upper and Lower Canada), Nova Scotia and New Brunswick. By the Ruperts' Land Act, passed by the Imperial Parliament, 31st July, 1868, provision was made for the acquisition by Canada of the whole of the vast territory formerly under the control of the Hudson's Bay Company. Sir George Cartier and Hon. William McDougall went to England to arrange the terms of the transfer with the Company, which were finally settled on 29th March, 1869. On the 19th November, 1869, the deed of surrender from the Company to Her Majesty was signed, by which it was provided that in consideration of the surrender, the Company should receive the sum of £300,000 from the Dominion of Canada, that it should retain all its trading posts and privileges, as well as certain quantities of land around the trading posts, amounting altogether to 45,190 acres, and that at any time during fifty years from the date of the surrender it should be entitled to claim one-twentieth of all land in each district or township, within the fertile belt, set out for settlement during that period. The fertile belt was defined to be bounded on the south by the United States boundary, on the west by the Rocky Mountains, on the north by the north branch of the Saskatchewan, and on the east by lake Winnipeg, the Lake of the Woods and the waters connecting them. By an Imperial Order-in-Council, dated the 23rd of June, 1870, to take effect on the 15th July following, the North-West Territories were added to the Dominion. By an Act of the Canadian Parliament, 33 Vic., Chap. 3, passed on the 12th May, 1870, provision was made for the erection of the Province of Manitoba out of part of the new territory, and for its admission into the Confederation simultaneously with the acquisition of the North-West Territories, both of which events took place accordingly on the 15th July, 1870.

3. By an Imperial Order-in-Council, dated the 16th May, 1871, passed upon addresses from the Canadian Parliament and the British Columbia Legislature, that Province was admitted into the Confederation from the 20th July, 1871.

4. The Province of Prince Edward Island was also, by an Imperial Order-in-Council, dated the 26th June, 1873, and obtained in a similar manner, admitted a province of the Dominion from the 1st July, 1873.

5. In 1876, the District of Keewatin, and in 1882 the District of Assini-

boia, Alberta, Saskatchewan and Athabasca were set apart out of the North-West Territories.

6. Provision is made by the British North America Act for the admission of the Island of Newfoundland.

7. The Dominion of Canada, therefore, now comprises the whole of the northern half of North America, bounded on the north by the Arctic Ocean, on the west by the Territory of Alaska and the Pacific Ocean, on the south by the United States, and on the east by the Atlantic Ocean.

8. The origin of the word Canada is obscure, but the derivation now generally accepted is that from an Indian word "Kannatha," meaning a village or collection of huts, and it is supposed that Jacques Cartier hearing this word used by the Indians with reference to their settlements, mistook its meaning, and applied it to the whole country.

9. Canada has an area of about 3,470,257 square miles, or including its water surface, 3,610,000 square miles, and is about 3,500 miles from east to west, and 1,400 miles from north to south.

#### CONSTITUTION AND GOVERNMENT.

1. The Constitution of the Dominion of Canada is similar to that of the United Kingdom.

2. By the British North America Act, the Executive Government and authority of and over Canada, as well as the command in chief of the Land and Naval Militia, and of all Naval and Military Forces of and in Canada, were declared to be vested in the Queen.

3. The Parliament consists of the Queen, the Senate and the House of Commons. The Queen is represented by the Governor General, who is assisted by a Privy Council, to which belong all those who are or have been advisers of the Crown, the acting portion of the Council, however, consists only of the Ministry of the day.

4. The Governor General is appointed by the Queen, and holds office for five years. He takes no part in legislation, but assents in the Queen's name to all measures which have passed both the Senate and the Commons. He may, however, refuse such assent, or may reserve bills for Her Majesty's consideration. He may also disallow Acts of the Provincial Legislatures, within one year of their having been passed in the Province.

5. The Senate is composed of members appointed for life by the Crown under the Great Seal of Canada. A Senator is entitled to be styled Honourable. He must be a British subject, born or naturalized, have passed the age of thirty years, be a resident in the Province for which he is appointed, and hold property to the value of \$4,000 above all liabilities. His seat becomes vacant if he fails to attend two consecutive sessions of Parliament, if he becomes bankrupt, or takes advantage of any insolvent law, or is attainted of treason or convicted of felony. The Speaker, who must be a Senator, is appointed by the Governor General, and fifteen members,

including the Speaker, form a quorum. Each Senator receives \$1,000 per annum as an indemnity. The number of Senators cannot exceed 78, until the admission of Newfoundland, when it may be increased to 82. There are at present 78 members, representing the several provinces as follows: Ontario, 24; Quebec, 24; Nova Scotia, 10; New Brunswick, 10; Manitoba, 3; British Columbia, 3; Prince Edward Island, 4. Bills of all kind, except money bills, can be originated in the Senate. A Senator cannot be elected a member of the House of Commons.

6. The members of the House of Commons must also be British subjects, but require no other qualification. They are elected by the people for five years, unless the House is sooner dissolved, under a uniform franchise for the whole Dominion. The Speaker is elected by the members themselves, twenty of whom (including the Speaker) constitute a quorum. Members are paid at the rate of \$10 a day, if the session is less than thirty days, and \$1,000 for the session, if over thirty days. All bills for appropriating any part of the public revenue, or for imposing any tax or impost, must originate in the House of Commons, and must first be recommended by message to the Governor General. The House shall be called together from time to time by the Governor General in the name of the Queen, under the Great Seal of Canada, but there must be a session of Parliament once at least in every year, and twelve months must not intervene between the last sitting of one session and the first sitting of the next.

7. The original number of members was 181, but in accordance with the provisions of the British North America Act, described below, and in consequence of the admission of new Provinces, this number has been increased to 211, distributed among the several Provinces as follows: Ontario, 92; Quebec, 65; Nova Scotia, 21; New Brunswick, 16; Manitoba, 5; British Columbia, 6; and Prince Edward Island, 6. By legislation during the session of 1886 the representation of the North-West Territories by four members was provided for, and the Act came into effect on the 18th February, 1887, thereby raising the number of members to 215. By section 51 of the British North America Act it was provided that the number of representatives for Quebec should always be 65, and that the other Provinces should be represented in such proportion to their population, as ascertained at each decennial census, as the number 65 would bear to the population of Quebec so ascertained.

8. The administration of public affairs is divided into thirteen departments, each presided over by a Minister, who must be a member either of the Senate or the House of Commons, and these Ministers form the Cabinet for the time being.

9. The exclusive legislative authority of the Parliament of Canada extends to all matters connected with the following subjects:

Public Debt.	Currency and Coinage.
Trade and Commerce.	Banking.
Taxation.	Savings Banks.

Borrowing Money on public credit.	Weights and Measures.
Postal Service.	Bills of Exchange.

10. The qualifications for a voter at elections for the Dominion Parliament, are as follows—A vote is given to every male subject of the full age of 21 years, being the owner, tenant or occupier of real property of the actual value in cities of \$300, in towns of \$200, or elsewhere of \$150, or of the yearly value wherever situate of not less than \$2 per month, or \$6 per quarter, or \$12 half-yearly, or \$20 per annum, or who is a resident in any electoral district with an income from earnings or investments of not less than \$300 per annum, or is the son of a farmer, or any other owner of real property which is of sufficient value to qualify both father and son, or is a fisherman and owner of real property, which with boats, nets and fishing tackle amounts to \$150 actual value. Voting is by ballot.

11. The following persons are disqualified for voting at elections for the Dominion Parliament:—The Chief Justice and Judges of the Supreme Court, the Chief Justices and Judges of the Superior Courts, and the Judges of all other Courts in the Dominion, Revising Officers, Returning Officers and Election Clerks, all Counsel, Agents, Attorneys and Clerks of Candidates who have been or may be paid for their services, and certain Indians.

12. Every member of the Senate and the House of Commons must take the oath of allegiance before taking his seat.

13. The Provincial Legislatures have the exclusive right to legislate upon such matters as: the Constitution of the Province, taxation and raising money for provincial purposes, management and sale of provincial lands, establishment and management of prisons, hospitals, asylums, municipal institutions, licenses, local works and undertakings, property and civil rights in the Province, the administration of justice, education, and generally all matters of a local or private nature in the Province.

#### THE GOVERNOR GENERAL OF CANADA.

The authority of the Queen in Canada is represented by a Governor General, appointed by Her Majesty's Commission which confers upon him his powers, and, with his instructions, defines generally his duties. His authority is derived from his Commission and limited to the powers thereby expressly or impliedly entrusted to him.

The Governor General has power to appoint or remove Members of the Executive Council, it being understood that those who have lost the confidence of Parliament will resign or discontinue to exercise their functions, analogously to the usage of the United Kingdom.

In Canada, the Crown has only a veto on legislation, and the Home Government has no control over any public officer, except over the Governor General.

The Governor General has power to give or withhold assent passed by Parliament; and without his assent, no law is binding.

#### DUTIES OF THE SPEAKER.

He is the presiding officer of the body. He reads all communications which come from the Queen's Representative to the Commons: he has to present and read such addresses and petitions as are carried up to the Governor-General by the Whole House, and to deliver the usual speeches, on the part of the Commons when presenting the Supply Bill, and other Bills calling for peculiar note and remark. Through him all witnesses and prisoners at the Bar of the House are examined, and he directs all arrangements when the House is to be addressed by counsel. It is his duty to deliver the reprimand of the House to any one who has incurred the penalty of receiving it: it is also his duty to issue warrants of committal or release for breach of privilege; to communicate with any parties, when so instructed by the House. It is his duty to closely examine the provisions of Private Bills so as to protect the public against any surprise, or undue encroachment or injury. He controls and regulates the conduct of subordinate officers of the House, and enforces the Rules of the House; he cannot join in any debate unless in Committee of the Whole House. As the presiding officer of the House, he has all the duties attached to such an office. The Speaker is chosen by the members of Parliament, and holds his office

until the Parliament in which he is elected is dissolved. Should a member persevere in disobeying the order of the Speaker, and of the House, the Speaker may "name him," a course uniformly followed, as the term implies, by the censure of the House. In extreme cases the Speaker may order members or others into custody until the pleasure of the House be signified. On divisions, when the numbers happen to be equal, he gives the casting vote, but he never otherwise votes.

## POSTAL RATES AND REGULATIONS.

### LETTERS.

Register all valuable letters.

In addressing letters add the name of the County in which the Post-Office addressed is situated, if to a city add street and number.

Letters for the United States should be addressed to the State as well as to the Post-Office.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

Letters containing gold or silver money, jewels, or anything liable to Customs duties, cannot be forwarded by post, beyond the Dominion; except to the United States.

Letters addressed to mere initials, or fictitious names, will not be delivered, unless addressed in care of a resident or to some box in the Post-Office.

Letters bearing mutilated stamps, or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not, will be sent to the Postmaster General for his adjudication.

### RATES OF POSTAGE.

Letters addressed to places in Canada and United States, 3 cents per  $\frac{1}{2}$  oz., or fraction thereof.

Newfoundland and Great Britain (by Canadian or New York Mail Steamers) 5 cents per  $\frac{1}{2}$  oz. or fraction thereof.

City, or Drop Letters for City Delivery, 1 cent per  $\frac{1}{2}$  oz. or fraction thereof.

Letters addressed to places in Canada and the United States must be prepaid at least one full rate (3 cents), otherwise they will be sent to the Dead Letter Office.

Letters addressed to places in Canada weighing over  $\frac{1}{2}$  oz. and prepaid one full rate, will be forwarded to destination, subject on delivery to double the amount of postage remaining unpaid.

### RE-DIRECTED LETTERS.

Letters redirected to places in Canada and the United States, without being taken out of the Post-Office, are not liable to any additional postage.

### REQUEST LETTERS.

Letters addressed to places in Canada and the United States, when sent in envelopes having printed thereon a request from the sender, that the letter if not delivered at the office addressed within a certain time specified

#### POST OFFICE SAVINGS BANKS.

1. The Post Office Savings Banks are open daily for the receipt and repayment of deposits during the same hours as for the transaction of Money Order business.

The direct security of the Dominion is given by the Statute for all deposits made.

2. Deposits of one dollar, or of any number of dollars, will be received from any depositor at the Post Office Savings Banks, provided the deposits made by such depositor in any year ending the 30th June, do not exceed three hundred dollars (except in special cases to be specially authorized by the Postmaster General), and provided the total amount standing in such Depositor's name in his ordinary deposit account in the books of the Postmaster General, do not exceed \$1,000, exclusive of interest.

No interest will be allowed on any sum over and above one thousand dollars in an ordinary deposit account.

3. Interest calculated yearly, at the rate of Four Dollars per cent. per annum, is allowed on deposits, and is computed from the first day of the calendar month next following the day on which the deposit is made, up to the first day of the calendar month in which moneys are withdrawn.

The interest is calculated to the thirtieth day of June in every year, and is then added to, and becomes part of the principal money.

4. Deposits may be made by a Trustee on behalf of another person, in the joint names of such Trustees and the person on whose account such

money is so deposited; but repayment of the same, or any part thereof, cannot be made without the receipt and receipts of both the said parties, or the survivor or the survivors, or the executors or administrators of such survivor, whose receipt and receipts either personally or by agent appointed by Power of Attorney, which Power of Attorney in the case of Minors may be executed by such Minor if of or exceeding the age of fourteen years, is alone a valid discharge, except in the case of insanity or imbecility of the party on whose behalf the deposits were made, when the Postmaster General may, on proof of the fact to his satisfaction, allow repayment to be made to the Trustee alone.

Special Forms of Declaration are provided for Trustees.

5. Deposits may be made by or for the benefit of any person under twenty-one years of age.

In case of Minors under the age of ten years, the Declaration must be made by one of the Parents or by a friend on behalf of the Minor.

Repayment to a Minor over ten years of age shall be made in the same manner as if he were of full age.

6. Deposits may be made by married women, and deposits so made, or made by women who shall afterwards marry, will be repaid to any such woman.

7. Any depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same to the Postmaster General in a Form, a printed copy of which may be obtained at any Post Office Savings Bank.

No less amount than one dollar, or some number of dollars, can be withdrawn, except when a Depositor withdraws all the money, both principal and interest, due to him.

8. In case any Depositor shall die, leaving any sum of money not exceeding \$300, exclusive of interest, deposited in the Post Office Savings Bank, and Probate of his Will, or Letters of Administration, or Acte of Curatelle, or Tutelle, be not produced to the Postmaster General, or if notice in writing of the existence of a Will and intention to prove the same, or to take out Letters of Administration, or be appointed Tutor or Curator, be not given to the Postmaster General at the Post Office Department within the period of one month from the death of the Depositor; or, if such notice be given, but such Will be not proved, or Letters of Administration or Actes of Curatelle or Tutelle be not taken out, and the Probates or Letters of Administration, Actes of Curatelle or Tutelle (as the case may be,) produced to the Postmaster General within the period of two months from the death of the Depositor, it shall be lawful for the Postmaster General, after such period of one or two months, as the case may be, to pay and divide such funds at his discretion to or amongst the widow, or relatives of the deceased Depositor, or any one or more of them; or if he shall think proper, according to the provisions of law governing the distribution of property in all such cases.

9. In case any depositor shall die leaving any sum of money in the Post Office Savings Bank, which (exclusive of interest) shall exceed the sum of \$300, the same will only be paid to the Executor or Administrator, Tutor or Curator, on the production of the Probate of the Will, Actes of Tutelle or Curatelle, or Letters of Administration of the Estate or Effects of the deceased Depositor, to the Postmaster-General.

10. If any Depositor, being illegitimate, shall die intestate, leaving any person or persons who, but for the illegitimacy of such Depositor, and of such person or persons, would be entitled to the money due to such deceased Depositor, it shall be lawful for the Postmaster-General, with the authority in writing of the Attorney-General of Canada, to pay the money of such deceased Depositor, to any one or more of the persons who, in his opinion, would have been entitled to the same, according to law, if the said Depositor, and such person or persons, had been legitimate.

11. If any Depositor shall become insane, or otherwise incapacitated to act, and the same shall be proved to the satisfaction of the Postmaster-General, and if the Postmaster-General shall be satisfied of the urgency of the case, he may authorize payment, from time to time, out of the fund of such Depositor to any person whom he shall judge proper, and the receipt of such person shall be a good discharge for the same.

12. If any dispute shall arise between the Postmaster-General and any individual Depositor, or any Executor, Administrator, Tutor, or Curator, next of kin, or creditor, or assignee of a Depositor who may become bankrupt or insolvent, or any person claiming to be such Executor, Administrator, Tutor, or Curator, next of kin, creditor or assignee, or to be entitled to any money deposited in the Post Office Savings Bank, then and in every such case, the matter in dispute shall be referred, in writing, to the Attorney-General of Canada; and whatever award, order or determination shall be made by the said Attorney-General of Canada, shall be binding and conclusive on all parties, and shall be final, to all intents and purposes, without any appeal.

\*The indicated decrease of the population of the City of St. John is attributable to the great fire which occurred in the year 1877, when half of the city was laid in ashes. Great numbers were thereby driven into the surrounding districts, and many whose business and social ties were thus severed did not return to the city.

Population of the Province of Manitoba (census 1886), 108,640.

Population of the Territories (census 1885), 79,293.

Population of the City of Winnipeg (census 1886), 20,238.

LOCAL PRECEDENCY.—No written code of county or city precedence has been promulgated, but naturally in the County the Lord-Lieutenant stands first, and secondly the Sheriffs. The Patent of nobility signed by Louis XIV., granting this title to Charles Le Moyne for distinguished services is remarkable as creating not only a Territorial Barony, but also conferring a title of honor upon himself and his descendants, whether male or female. The cession of Canada to England by the Treaty of Paris in 1763, made no change in the

#### TABLE OF TITLES AS AUTHORIZED TO BE USED IN CANADA.

DOWNING STREET,

My Lord—

24th July, 1868.

In consequence of the Confederation of the British Provinces, some revision of the former usage there, about titles, has become necessary, and I have the honor to inform you that Her Majesty has been pleased to approve of the adoption of the following regulations :—

1. The Governor General of Canada to be styled "His Excellency."
2. The Lieutenant Governor of the Provinces to be styled "His Honour."
3. The Privy Councillors of Canada to be styled "Honourable," and for life.
4. Senators of Canada are to be styled "Honourable," but only during office, and the title not to be continued afterwards.
5. Executive Councillors of the Provinces to be styled "Honourable," but only while in office, and the title not to be continued afterwards.
6. Legislative Councillors in the Provinces not in future to have that title ; but gentlemen who were Legislative Councillors at the time of the Union (1st July, 1867) to retain their title of "Honourable" for life.
7. The President of the Legislative Council in the Provinces to be styled "Honourable" during office.
8. The Speaker of the House of Assembly in the Provinces to be styled "Honourable" during office.†

I have, etc.,

(Signed,) BUCKINGHAM AND CHANDOS.

Governor, the Right Honourable Viscount Monck.

†The omission of the Speaker of the House of Commons in the above regulations is so clearly owing to inadvertence, that the title of "Honourable" is invariably accorded to that high officer.

\*. Approx. No voter's lists in P. E. Island in 1882.

b. This may be termed the natural increase, as the same franchise governed the elections of 1882 and 1887. The difference between these figures and those of the preceding column therefore shows the increase due to the Franchise Act of 1885.

c. In order to arrive at the true number of Electors who exercised their franchise, it is necessary to make certain deductions from the total vote polled. For instance, in Hamilton and Ottawa, Halifax and Pictou, P. E. Island and Victoria, B.C., Cape Breton and St. John, N.B. (City and County,) each vote counts double—that is to say, each elector has the privilege of voting for two candidates. In order, therefore, to ascertain the true number of individual voters it is necessary to deduct from the aggregate one half the vote of these places. In calculating the percentages for this column that course has been followed.

d. This division is as it appeared to be immediately after the Elections. Every man elected to oppose the Government has been placed in the Opposition column irrespective of subsequent course.

e. Queen's County, New Brunswick, is counted to the Opposition.

f. These figures, to be in proportion to the relative strength of Ontario's Parliamentary Representation, should stand: Government, 16; Opposition, 11.

g. The object of this classification being to show how many members were elected by narrow majorities, it seems scarcely fair to include in it this gentleman (Mr. Reid, of Cariboo), for while his majority was but 40, the total vote cast for his opponent was only 105. The number of Government supporters therefore, so elected, should more properly be reckoned at 33.

### PASSPORTS.

Persons requiring passports from the Canadian Government should make application to the Department of the Secretary of State for the same. A blank form shall be forwarded to the applicant, who will fill the blanks, sign the form, have his signature attested before a Justice of the Peace, and return the form to the Department for signature and apposition of the Privy Seal of the Governor-General.

#### *Fee.*

A sum of \$4.00 should accompany the application, it being the fee upon passports, as fixed by the Governor-General-in-Council.

### PETITIONS AND PRIVATE BILLS.

Petitions.—The following rules respecting Petitions should be carefully observed, as deviation therefrom will involve rejection:

1. Petitions involving public expenditure, such as grants of money or lands, claims for arrears of pay or for remuneration for public service rendered, or other demands imposing a burden upon the people, cannot be received by the House, which has not the power of initiating such imposition. A petition which only expressed a hope for a grant was excluded in 1878. In 1877, however, a petition for imposition of duty or bounty on coal was received.

Petitions of this nature should be addressed to "His Excellency the Governor-General-in-Council." The correct form is to forward them to the Secretary of State, who will then "by command," refer them to the Ministers of the Crown to whose Department their subjects respectively relate; and they will thereafter be dealt with Departmentally, in the same manner as any official letter or communication received direct from the parties interested. In point of fact, however, the forwarding of such petitions by Members of Parliament, with covering letter, direct to the Department concerned, *at any time* without waiting for the session, is practically the best course. In this way, petitions may be brought before the executive in ample time for consideration before the meeting of Parliament, when the representative can, if desired, bring on a discussion upon the merits of the case.

Although such petitions may not be presented to the House, which has not the power of granting them, it is quite in order (after proceeding as above) to bring them under the cognizance of Parliament by moving an address to His Excellency for them, and any other papers connected with them in the Departments, to be brought down; and the Government, upon its responsibility to Parliament, can then be brought to account for the exercise or non-exercise of the power vested in it of granting the pecuniary or other relief prayed for.

2. It has been decided that Aliens, non-residents of the Dominion of Canada, have not the right of petitioning this Parliament. An exception to this rule was made during the session of 1878.

3. Petitions may be either written or printed; provided always that the signatures of at least three Petitioners are subscribed on the sheet contain the prayer of the petition.

4. Signatures to Petitions must be original; no agent should sign a Petition to Parliament for any purpose. No chairman can sign for a public meeting, but the common seal of a *corporation* is received as the petition of the whole body.

5. All petitions must be in respectful and temperate language, and must not contain any matter in Breach of the Privileges of the House, such as animadversion upon the conduct of Parliament, or reference to any subject under debate, or to a motion in course of preparation.

6. Petitions to the House of Commons should be addressed: "*To the Honourable the Commons of Canada, in Parliament assembled:*" the statement of grievance or cause of complaint should be clearly and succinctly set forth; and they must close with a specific prayer, thus:

"*Wherefore, your petitioner prays that,*" etc., setting forth the redress and relief that is sought.

7. The member presenting a petition should endorse his name thereon, and present it in his place in the House, confining himself, when doing so, to a statement of the parties from whom it comes, the number of signatures attached to it, and the material allegations it contains. He is responsible that it does not contain impertinent or improper matter.

8. After a lapse of two days for scrutiny by the Speaker and Clerk of the House, every petition which proves to be properly receivable is (*Rule 86*) "brought to the Table by direction of the Speaker, who cannot allow any debate, or any member to speak upon or in relation to, such Petition; but it may be read by the Clerk at the Table, if required; or if it complains of some present personal grievance, requiring an immediate remedy, the matter therein may be brought into immediate discussion. In ordinary course, it may, upon motion, be referred to a committee, or Resolutions may be based upon it," etc.

#### PRIVATE BILLS.

Private Bills are chiefly introduced to enable individuals or bodies corporate to undertake works of public utility at their own risk and chiefly for their own emolument and benefit; but there are other Private Bills which frequently come before Parliament, such as Bills for adjusting claims to property between individual claimants, and Bills relating to divorce, naturalization, etc., etc. The expenses of legislation in such matters must be paid by the parties seeking the relief; and a *deposit of \$200 must be paid immediately after the second reading of the Bill*. After the second reading, if all the Rules of the House have been complied with, Private Bills go to the Committee, and it is before this Committee that proper attention must be given by the parties interested. Individuals or companies may appear by Parliamentary Agents.

# INCORPORATION OF JOINT STOCK COMPANIES BY LETTERS PATENT.

(R. S. C., Cap. 119.)

The Governor-in-Council may, by letters patent under the great seal, grant a charter to any number of persons, not less than five, who petition therefor, constituting such persons, and others who may thereafter become shareholders in the Company thereby created, a body corporate and politic, for any of the purposes or objects to which the legislative authority of the Parliament of Canada extends, except the construction and working of railways, or the business of banking and the issue of paper money, or the business of insurance.

The applicants for such letters patent must give at least one month's previous notice in the *Canada Gazette*, of their intention to apply for the same, stating therein,—

a. The proposed corporate name of the Company, which shall not be that of any other known company, incorporated or unincorporated, or any name liable to be confounded therewith, or otherwise on public grounds objectionable :

b. The purpose for which its incorporation is sought :

c. The place within Canada, which is to be its chief place of business :

d. The proposed amount of its capital stock,—which, in the case of a loan company, shall not be less than one hundred thousand dollars :

e. The number of shares and the amount of each share :

f. The names in full and the address and calling of each of the applicants, with special mention of the names of not more than fifteen, and not less than three of their number, who are to be the first or Provisional Directors of the Company, and the majority of whom must be residents in Canada.

At any time, not more than one month after the last publication of such notice, the applicants may petition the Governor-in-Council, through the Secretary of State, for the issue of such letters patent :

Such petition shall state the facts set forth in the notice, the amount of stock taken by each applicant, the amount paid in upon the stock of each applicant, and the manner in which the same has been paid in, and is held for the Company :

The aggregate of the stock so taken shall be at least the one-half of the total amount of the proposed capital stock of the Company :

The aggregate so paid in thereon shall, if the Company is not a loan company, be at least ten per cent of the stock so taken : if the Company is a loan Company the aggregate so paid in shall be at least ten per cent thereof, and shall not be less than one hundred thousand dollars :

Such aggregate shall be paid in to the credit of the Company, or of trustees therefor, and shall be standing at such credit in some chartered bank or banks in Canada, unless the object of the Company is one requiring that it should own real estate,—in which case any portion not exceeding one-half of such aggregate may be taken as paid in, if it is bona fide in-

vested in real estate suitable to such object, which is duly held by trustees for the Company, and is of the required value over and above all incumbrances thereon.

The petition may ask for the embodying in the letters patent of any provision which, under this Act, might be made by by-law of the Company ; and such provision so embodied shall not, unless provision to the contrary be made in the letters patent, be subject to repeal or alteration by by-law.

Before the letters patent are issued, the applicants shall establish to the satisfaction of the Secretary of State, or of such other officer as is charged by the Governor-in-Council to report thereon, the sufficiency of their notice and petition, and the truth and sufficiency of the facts therein set forth, and that the proposed name is not the name of any other known incorporated or unincorporated company ; and for that purpose, the Secretary of State, or such other officer, shall take and keep of record any requisite evidence in writing, by oath or affirmation, or by solemn declaration.

The Governor may give to the Company a corporate name, different from that proposed by the applicants in their published notice, if the proposed name is objectionable

Notice of the granting of the letters patent shall be forthwith given by the Secretary of State, in the *Canada Gazette* ; and thereupon, from the date of the letters patent, the persons therein named, and their successors, shall be a body corporate and politic by the name mentioned therein ; and a copy of every such notice shall forthwith be, by the Company to which such notice relates, inserted on four separate occasions in at least one newspaper in the county, city, or place where the head office or chief agency is established.

#### FEEs.

No step shall be taken in any Department towards the issue of any letters patent or supplementary letters patent under the Act, until after the amount of all fees therefor shall have been duly paid.

The following is the schedule of Fees payable, under the Act :—

1. When the proposed capital stock of the Company is \$500,000 or upwards, the fee to be \$200.
2. When the proposed capital stock is \$200,000 or upwards and less than \$500,000, \$150.
3. When the proposed capital stock is \$100,000 or upwards and less than \$200,000, \$100
4. When the proposed capital stock is less than \$100,000, \$40.
5. When the proposed capital stock is \$40,000 or less than \$40,000, \$30.

On application for supplementary letters patent the fee to be one-half of that charged on the original letters patent.

All fees must be paid in cash or by an accepted cheque made payable to the order of the Honorable the Secretary of State, and must be transmitted to him by registered letter.

## THE DOMINION CONTROVERTED ELECTIONS ACT.

(R. S. C., Cap. 9.)

A petition complaining of an undue return or undue election of a member, or of no return, or of a double return, or of any unlawful act by any candidate not returned, by which he is alleged to have become disqualified to sit in the House of Commons, at any election, can be presented to the Court by any one or more of the following persons :—

1st. A person who had a right to vote at the election to which the petition relates ;

2nd. A candidate at such election.

No form is prescribed, but the petition must complain of one, at least, of the above facts, and be signed by the petitioners.

The petition must be presented not later than thirty days after the day of publication in the *Canada Gazette* of the receipt of the return to the writ of election by the Clerk of the Crown in Chancery, unless it questions the return or election upon an allegation of corrupt practices, and specifically alleges a payment of money or other act of bribery to have been committed by any member, or on his account, or with his privity, since the time of such return, in pursuance or in furtherance of such corrupt practice, in which case the petition may be presented at any time within thirty days after the date of such payment or act so committed ; and in case any such petition is presented, the sitting member, whose election and return is petitioned against, may, not later than fifteen days after service of such petition against his election and return, file a petition complaining of any unlawful and corrupt act by any candidate at the same election who was not returned and who is not a petitioner, and on whose behalf the seat is not claimed.

Presentation of a petition is made by delivering it at the office of the clerk of the court, during office hours, or in any other prescribed manner.

At the time of the presentation of the petition, security for the payment of all costs, charges and expenses that may become payable by the petitioner, is given on behalf of the petitioner.

The security is to the amount of one thousand dollars, and is given by a deposit of money with the clerk of the court.

The deposit is not valid unless it is made in gold coin or Dominion notes.

The clerk of the court gives a receipt for such deposit, which is evidence of the sufficiency thereof.

Notice of the petition is to be served on the respondents within five days from its presentation, unless longer time is allowed by the Judge.

Within five days after the service of the petition and the accompanying notice, the respondent may present in writing any preliminary objections or grounds of insufficiency which he has to urge against the petition or the petitioner, or against any further proceeding thereon, and in such case, at the same time, files a copy thereof for the petitioner, and the court or judge hears the parties upon such objections and grounds, and decides the same in a summary manner.

Within five days after the decision upon the preliminary objections, if presented and not allowed, or on the expiration of the time for presenting the same, if none are presented, the respondent may file a written answer to the petition, together with a copy thereof for the petitioner; but whether such answer is or is not filed, the petition is held to be at issue, after the expiration of the said five days, and the court may, at any time thereafter, upon the application of either party, fix some convenient time and place for the trial of the petition.

Every election petition is tried by one judge, without a jury, and in the electoral district in which the election took place, unless the court decides that another place should be appointed for the trial, owing to special circumstances.

Notice of the time fixed for the trial is fixed by the court.

The trial of every election petition has to be commenced within six months from the time when such petition has been presented, and is proceeded with from day to day until such trial is over; but if at any time it appears to the court or a judge, that the respondent's presence at the trial is necessary, such trial cannot be commenced during any session of Parliament; and in the computation of any time or delay allowed for any step or proceeding in respect of any such trial, or for the commencement thereof as aforesaid, the time occupied by such session of Parliament is not to be included.

If, at the expiration of three months after such petition has been presented, the day for trial has not been fixed, any elector may, on application, be substituted for the petitioner on such terms as the court or judge thinks just.

The court or a judge may, notwithstanding the next preceding sections, from time to time enlarge the time for the commencement of the trial, if,

on an application for that purpose, supported by affidavit, it appears to such court or judge that the requirements of justice render such enlargement necessary.

#### JUDGE'S REPORT.

At the conclusion of the trial, the judge determines whether the member whose election or return is complained of or any and what other person was duly returned or elected, or whether the election was void, and other matters arising out of the petition, and requiring his determination,—and, except only in the case of appeal hereinafter mentioned, within four days after the expiration of eight days from the day on which he has so given his decision, certifies in writing such determination to the Speaker, appending thereto a copy of the notes of the evidence; and the determination thus certified is final to all intents and purposes.

#### APPEALS.

An appeal lies to the Supreme Court of Canada under this Act by any party to an election petition who is dissatisfied with the decision of a court or a judge:—

(a.) From the judgment, rule, order or decision of any court or judge on any preliminary objection to an election petition, the allowance of which objection has been final and conclusive and has put an end to such petition, or which objection if it had been allowed would have been final and conclusive and have put an end to such petition: Provided always that, unless the court or judge appealed from otherwise orders, an appeal in the last mentioned case shall not operate as a stay of proceedings, nor shall it delay the trial of the petition.

(b.) From the judgment or decision on any question of law or of fact of the judge who has tried such petition.

The party so desiring to appeal must deposit with the clerk or officer of the court which gave the decision, within eight days from the day of such decision, a sum of \$100, as security for costs, and also a further sum of \$10 as a fee for transmitting record to the Supreme Court.

And within three days after the appeal has been set down before the Supreme Court, the party appealing has to notify of his proceedings the parties affected by such appeal.

### THE CANADA TEMPERANCE ACT.

(*R. S. C., Cap. 106.*)

This Act is popularly known as the "Scott Act."

The prohibition of traffic in intoxicating liquors, in any county or city of the Dominion may be asked as follows:—

A petition and notice, addressed to the Governor-in-Council, signed by the electors qualified and competent to vote at the election of a member for

the House of Commons, and asking that the votes of all the electors be taken for or against the adoption of the petition, is sent to the Secretary of State.

Together with the petition must be laid evidence that such petition contains at least one-fourth of the genuine signatures of all the electors of that city or county, and that such petition has been deposited, for ten days preceding, in the office of the Sheriff or Registrar of Deeds, for public examination, and that notice of such deposit has twice been given in two newspapers, two weeks previous to such notice.

The Governor-General then issues a proclamation, to be inserted three times in the *Canada Gazette* and three times in the *Provincial Official Gazette*;

The proclamation sets forth the day, hour and place where and when the poll for taking the votes will be held, and names the Returning Officer.

The Returning Officer makes known the polling stations and districts, and appoints two persons to attend to each polling station, and four persons to attend at the final summing up of votes as on behalf of the persons interested for or against the adoption of the petition.

The lists used are those made under the Electoral Franchise Act, and the votes are taken by ballot. The polls are open from nine o'clock in the morning till five in the afternoon.

The Returning Officer, at the place, day and hour named in the proclamation, sums up the votes. More than one-half of the total votes polled is required for the adoption of the Act.

Within a week from the summing up of the votes, any elector, when he has reasonable grounds for it, may, upon depositing \$100.00 or giving bond for that amount, apply for a scrutiny upon the petition. The Judge before whom application has been made, appoints a day, hour and place for scrutiny, and then and there, after inspecting the ballots and receiving evidence, determines whether the majority of the votes was in favour of or against the petition.

Within two weeks from the summing up of the votes, if there is no scrutiny, and if there is scrutiny, after the Judge has decided upon it, the Returning Officer transmits to the Secretary of State his return.

When the petition is rejected, no such petition can be again put to the vote of the electors for a period of three years from the date of the polling of the votes.

If the petition is adopted, the Governor-in-Council may, at any time after the expiration of sixty days from the day on which it was adopted, by Order-in-Council published in the *Canada Gazette*, declare that prohibition shall be in force and take effect in such county or city upon, from and after the day on which the annual or semi-annual licenses for the sale of spirituous liquors then in force in such county or city will expire, provided such day is not less than ninety days from the day of the date of such Order-in-Council; and if it is less, then on the like day in the then following year.

If, in any county or city, there are no licenses in force when the petition is adopted, prohibition takes effect after the expiration of thirty days from the day of the date of such Order-in-Council to that effect, published in the *Canada Gazette*.

Prohibition, where adopted, cannot be revoked for three years from its coming into force, nor until a petition and notice, and such proceedings as for the adoption of the Act, have been gone through.

From the day on which prohibition comes into force and takes effect in any county or city, no person can, within such county or city, by himself, his clerk, servant or agent, expose or keep for sale, or directly or indirectly, on any pretence or upon any device, sell or barter, or in consideration of the purchase of any other property, give to any other person any intoxicating liquors :

Exception is made for the sale of wine for exclusively sacramental purposes made by druggists and vendors thereto specially licensed by the Lieutenant Governor in each Province.

Also for the sale of intoxicating liquor for exclusively medicinal purposes or for *bonâ fide* use in some art, trade or manufacture, made by such licensed druggists and vendors, and in quantities specified by the Act.

Also for any producer of cider in the county, and any licensed distiller or brewer, having his distillery or brewery within any county or city, who may, at such distillery or brewery, expose and keep for sale such liquor as they manufacture thereat, and no other, and who may sell the same thereat in quantities and to persons specified in the act.

Also for any incorporated company authorized by law to carry on the business of cultivating and growing vines and of making and selling wine and other liquors produced from grapes, having their manufactory within such county or city, who may thereat expose and keep for sale such liquor as they manufacture thereat, and no other; and may sell the same thereat, but only in quantities and to persons specified in the Act.

Also for manufacturers of pure native wines made from grapes grown and produced by them in Canada, who may, when authorized so to do, by license from the municipal council, or other authority having jurisdiction, sell such wines at the place of manufacture in quantities specified by the Act.

Also for any merchant or trader, exclusively in wholesale trade and duly licensed to sell liquor by wholesale, having his store or place for sale of goods within such county or city, who may thereat keep for sale and sell intoxicating liquors, but only in quantities and to persons specified by the Act.

### THE PATENT ACT.

*R.S.C., Cap. 61.*

The Patent Office of Canada is one of the branches of the Department of Agriculture.

#### APPLICATIONS FOR PATENTS.

Any person who has invented any new and useful art, machine, manufacture or composition of matter, or any new and useful improvement in any art, machine, manufacture or composition of matter, which was not known or used by any other person before his invention thereof, and which has not been in public use or on sale with the consent or allowance of the inventor thereof, for more than one year previously to his application for patent therefor in Canada, may, on a petition to that effect, presented to the commissioner, obtain a patent granting to such person an exclusive property in such invention.

No patent shall issue for any invention which has an illicit object in view, or any mere scientific principle or abstract theorem.

Any person who has invented any improvement on any patented invention, may obtain a patent for such improvement; but he shall not thereby obtain the right of vending or using the original invention, nor shall the patent for the original invention confer the right of vending or using the patented improvement.

The applicant shall, in his petition for a patent, insert the title or name of the invention, and shall, with the petition, send in a specification in duplicate of the invention.

*a.* The specification shall fully and correctly describe the mode or modes of operating the invention, as contemplated by the inventor; and shall state clearly and distinctly the contrivances and things which he claims as new and for the use of which he claims an exclusive property and privilege:

*b.* Such specification shall bear the name of the place where and the date when it is made, and shall be signed by the inventor if he is alive, and if not, by the applicant, and by two witnesses to such signature of the inventor or applicant:

*c.* In the case of a machine the specification shall fully explain the principle and several modes in which it is intended to apply and work out the same:

*d.* In the case of a machine, or in any other case in which the invention admits of illustration by means of drawings, the applicant shall also, with his application, send in drawings in duplicate, showing clearly all parts of the invention; and each such drawing shall bear the signature of the inventor, if he is alive, and if not of the applicant, or of the attorney of such inventor or applicant, and shall have written references corresponding with the specification; but the commissioner may require further drawings or dispense with any of them, if he sees fit:

*e.* One duplicate of the specification and of the drawings, if there are drawings, shall be annexed to the patent, of which it shall form an essential part, and the other duplicate shall remain deposited in the Patent Office:

*f.* The commissioner may, in his discretion, dispense with the duplicate specification and drawing, and in lieu thereof cause copies of the specification and drawing in print or otherwise, to be attached to the patent, of which they shall form an essential part.

The applicant shall deliver to the commissioner, unless the same is personally dispensed with for some good reason, a neat working model of his invention, on a convenient scale, exhibiting its several parts in due proportion, whenever the invention admits of such a model; and shall deliver to the commissioner specimens of the ingredients, and of the composition of matter, sufficient in quantity for the purpose of experiment whenever the invention is a composition of matter, if such ingredients and composition are not of an explosive character or otherwise dangerous, in which case they shall be furnished only when specially required by the commissioner, and then with such precautions as are prescribed in the requisition therefor.

The term limited for the duration of every patent of invention issued by the Patent Office shall be fifteen years: but at the time of the application therefor it shall be at the option of the applicant to pay the full fee required for the term of fifteen years, or the partial fee required for the term of five or of ten years: and at the end of five or ten years, the duration of the patent may be extended for another term, if the applicant pays the fee for such term.

### LORD PRESIDENT OF THE PRIVY COUNCIL:

The Rt. Hon. Viscount Cranbrook, G.C.S.I.

*Private Secretary*—Lord Richard Nevill.

*Clerk*—Charles Lennox Peel, C. B.

*Deputy Clerk*—Herbert Manson Suft, Esq.

### The Privy Council of England and its Connections with Canada.

It is the settled prerogative of the Crown to receive appeals in colonial cases.

The Queen has authority by virtue of her prerogative to review the decisions of all colonial courts, provided the proceedings be of a civil character. Appeal in criminal cases was abolished by C.S. 50-51, Vic., Cap. 5 s. 5, s. 1.

In cases where a Canadian Act, passed under the authority of an Imperial Act, limited the right of appeal to Her Majesty in Council to causes in which the sum in dispute was more than £500, saving however the rights and prerogatives of the Crown, and the sum in dispute was less than £500, leave to appeal was refused by the Privy Council. In a subsequent case, however, where a similar point arose, leave to appeal was granted, and it was observed that in *Cuvillier vs. Aylwin* the proviso in s. 43 of the Canadian Act 34 Geo. 3, c. 6, expressly reserving the royal prerogative,

did not appear to have been directly adverted to. And in a recent case the Judicial Committee overruled *Cuvillier vs. Aylwin* upon the general principle that in any case where a prerogative of the Crown has existed, precise words must be shown to have taken it away.

The Crown now exercises its prerogative to receive appeals from the colonies through the Judicial Committee of the Privy Council, which is the Court of Appeal in England from the Colonies.

In order to prosecute an appeal from a colonial court to Her Majesty in Council leave must be obtained from the court below, according to the rules in the colony with reference to such appeals. If leave, however, has not been obtained from the court below, either because there are no rules, or because the court below has no power to allow appeal direct to Her Majesty in Council, or because the rules in the colony have not been complied with—e.g., in that the amount in dispute is less than the appealable value, or that the time for presenting an appeal has expired, or that proper security for costs has not been given, etc.—a petition to Her Majesty in Council may be presented for special leave to appeal, which will be referred to the Judicial Committee for them to advise whether it should be granted or refused.

When leave to appeal has been obtained, the appellant must prepare a transcript of the proceedings below and transmit it to the office of the Privy Council. Along with the transcript must be forwarded a written account of the reasons given by the judges of the court below for the judgment pronounced by them. If the transcript is not printed in the colony, the appellant must within a certain time call on the Registrar of the Privy Council to cause it, or such part of it as the appellant and respondent consider necessary, to be printed.

The transcript having been delivered at the Privy Council office, the appellant presents his petition of appeal, which usually merely contains a short statement of the proceedings below, and that the petitioner is aggrieved by the judgment, has obtained leave to appeal, and prays for a reversal. The petition is lodged by bringing it into the Privy Council office and leaving it with the clerks there.

Originally the petition was submitted to Her Majesty at the first Council meeting after the lodgment, when Her Majesty made an order referring it to the Judicial Committee to hear and report upon it. Subsequently authority was given to the Judicial Committee to proceed in hearing and reporting upon appeals duly presented without any special Order-in-Council referring the same to them, provided that Her Majesty in Council had by Order-in-Council, in the month of November, directed that all appeals should be referred to the said Judicial Committee on which petitions might be presented to Her Majesty in Council during twelve months next after the making of such order. This Order-in-Council is passed every November as a matter of course.

On hearing that the petition of appeal has been lodged, the respondent

appears to it by sending a letter to the Registrar stating his full name, the court appealed from, and the date of the judgment appealed from.

It is rather curious that there is no provision apparently for securing that notice of the appeal being lodged should be given to the respondent. The proceedings in the court below will, however, in ordinary cases, have given him notice. If he does not appear the appellant may obtain a summons to him from the Judicial Committee to appear within two months, and post it at the Royal Exchange, or Lloyd's Coffee House; followed, if necessary, by a peremptory order to appear in six weeks, posted at the same places. When the respondent has appeared, the parties prepare their respective cases, which are always drawn and signed by counsel.

The cases are prepared with the assistance of the transcript. The appellant's case details so much of the proceedings below as are necessary to support his view, placing in an appendix such parts of the transcript as require special notice, and cannot conveniently be inserted in the case itself. Then the reasons of appeal are shortly set forth. No particular form is necessary.

Each party delivers to his opponent a copy of his case, after he has lodged it. Whichever party first lodges his case may obtain an order on his opponent to lodge his within one month from service of the order; on default of compliance with which, another order may be obtained for delivery of the case within a fortnight on pain of the cause being set down for hearing *ex parte*.

Finally the cause is set down in a list, and comes on in its turn for argument by counsel.

After hearing the arguments, the Judicial Committee makes a report or recommendation to Her Majesty in Council, the nature of which is always stated in open court. A majority of the members present must concur in such report or recommendation.

After an appeal has been admitted and referred to the Judicial Committee, interlocutory petitions should be addressed to the committee, not to Her Majesty in Council.

### RULES OF PRACTICE.

Any former usage or practice of Her Majesty's Privy Council notwithstanding, an appellant who shall succeed in obtaining a reversal or material alteration of any judgment, decree or order appealed from, shall be entitled to recover the costs of the appeal from the respondent, except in cases in which the Lords of the Judicial Committee may think fit otherwise to direct.

When the record of proceedings, or evidence in the cause appealed, has been printed or partly printed abroad, the registrar, or other proper officer of the court from which the appeal is brought, shall be bound to send home the same in a printed form, either wholly or so far as the same may have been printed; and that he do certify the same to be correct, on two copies,

by signing his name on every printed sheet, and by affixing the seal, if any, of the court appealed from to these copies, with the sanction of the court; and that in all cases in which the parties in appeals shall think it fit to have the proceedings printed abroad, they shall be at liberty to do so, provided they cause fifty copies of the same to be printed *in folio*,\* and transmitted, at their expense, to the Registrar of the Privy Council; two of which printed copies shall be certified, as above, by the officers of the court appealed from; and in this case no further expense for copying or printing the record will be incurred or allowed in England.

On the arrival of a written transcript of appeal at the Privy Council Office, Whitehall, the appellant, or the agent of the appellant prosecuting the same, shall be at liberty to call on the Registrar of the Privy Council to cause it, or such part thereof as the respondent, or his agent, may require, to be printed by Her Majesty's Printer, or by any other printer, on the same terms—the appellant, or his agent, engaging to pay the cost of preparing a copy for the printer, at a rate not exceeding one shilling per brief sheet—and likewise the costs of printing such record or appendix; and that one hundred copies of the same be struck off, whereof thirty copies are to be delivered to the agents on either side, and forty kept for the use of the Judicial Committee; and that no other fee for solicitors' copies of the transcript, or for drawing the joint appendix, be henceforth allowed—the solicitors on both sides being allowed to have access to the original papers at the Council Office, and to extract, or cause to be extracted and copied, such parts thereof as are necessary for the preparation of the petition of appeal, at the stationer's charge, not exceeding one shilling per brief sheet.

A certain time is fixed, within which it shall be the duty of the appellant, or his agent, to make such application for the printing of the transcript, and that such time be within the space of six calendar months from the arrival of the transcript and the registration thereof, in all matters brought by appeal from Her Majesty's colonies and plantations east of the Cape of Good Hope, or from the territories of the East India Company, and within the space of three months in all matters brought by appeal from any other part of Her Majesty's dominions abroad; and that in default of the appellant, or his agent, taking effectual steps for the prosecution of the appeal within such time or times respectively, the appeal shall stand dismissed without further order, and that a report of the same be made to the Judicial Committee by the registrar of the Privy Council at their Lordships' next sitting.

Whenever it shall be found that the decision of a matter on appeal is likely to turn exclusively on a question of law, the agents of the parties, with the sanction of the Registrar of the Privy Council, may submit such question of law to the Lords of the Judicial Committee, in the form of a special case, and print such parts only of the transcript as may be necessary for the discussion of the same; provided that nothing herein contained shall in

any way bar or prevent the Lords of the Judicial Committee from ordering the full discussion of the whole case, if they so think fit; and that in order to promote such arrangements and simplification of the matter in dispute, the Registrar of the Privy Council may call the agents of the parties before him, and having heard them, and examined the transcript, may report to the Committee as to the nature of the proceedings.

THE FORM OF TYPE TO BE USED IN THE PRINTING OF MATTERS PENDING  
BEFORE THE LORDS OF THE J. C. OF THE PRIVY COUNCIL.

1. All cases, records and other proceedings in appeals, or other matters pending before the Judicial Committee of the Privy Council, are henceforth to be printed in the form known as demy quarto, and not in demy folio, as hath heretofore been used.

2. The size of the paper used is to be such that the sheet, when folded, will be eleven inches in height and eight inches and a half in width.

3. The type to be used in the text is to be pica type, but long primer is to be used in printing accounts, tabular matter and notes.

4. The number of lines in each page of pica type is to be forty-seven, each line being five inches and three-quarters, or 146 millimeters, in length.

5. The foregoing rules do not apply to cases now pending in which the printing of the record is begun before the receipt of this order, but in all cases printed after the receipt of this the form and type herein prescribed are to be used exclusively.

6. The price in England for printing 75 copies in the form herein established is to be thirty-eight shillings per sheet (eight pages) of pica, with marginal notes, not including corrections, tabular matter and other extras.

**Appeals from the Province of Ontario.**

In a case where the matter in controversy exceeds the sum or value of four thousand dollars as well as in a case where the matter in question relates to the taking of any annual or other rent, customary or other duty, or fee, or any like demand of a general and public nature affecting future rights, of what value or amount soever the same may be, an appeal lies to Her Majesty in Her Privy Council; and except as aforesaid no appeal lies to Her Majesty in Her Privy Council.

No such appeal is allowed until the appellant has given security in two thousand dollars, to the satisfaction of the court appealed from, that he will effectually prosecute the appeal, and pay such costs and damages as may be awarded in case the judgment appealed from is affirmed.

Upon the perfecting of such security, execution is stayed in the original cause, except in special cases otherwise provided for.

Every Judge of the Court of Appeal has authority to approve of and allow the security to be given by a party who intends to appeal to Her Majesty in Her Privy Council, whether the application for such allowance be made during the sitting of the said court, or at any other time.

### Appeals from the Province of Quebec.

An appeal lies to Her Majesty in Her Privy Council from final judgments rendered in appeal or error by the Court of Queen's Bench.

1. In all cases where the matter in dispute relates to any fee of office, duty, rents, revenue, or any sum of money payable to Her Majesty.

2. In cases concerning titles to lands or tenements, annual rents, and other matters by which the rights in future of parties may be affected.

3. In all other cases wherein the matter in dispute exceeds the sum or value of £500 0/0, sterling.

Nevertheless, the execution of a judgement of the Court of Queen's Bench cannot be prevented or stayed unless the party aggrieved gives good and sufficient sureties, within the delay fixed by the court, that he will effectually prosecute the appeal, satisfy the condemnation, and pay such costs and damages as may be awarded by Her Majesty, in the event of the judgment being confirmed. The security may be received before one of the judges of the Court of Queen's Bench.

The appellant may also consent to the judgments being executed, and in such case may give security only for the costs in appeal, in the same conditions as under sections 23, 42-3, Cap. 77, C.S.L.C., 1860.

The execution of any judgment of the Court of Queen's Bench cannot be prevented or stayed after six months from the day on which the appeal was allowed, unless the appellant files in the office of the clerk of appeals, a certificate, signed by the clerk of Her Majesty's Privy Council, or any other competent officer, and stating that the appeal has been lodged within such delay, and that proceedings have been had therein.\*

The clerk of appeals of the Court of Queen's Bench is bound to register any exemplification of a decree of Her Majesty in Her Privy Council, as soon as it is presented to him for that purpose, without requiring any order of the Court of Queen's Bench to that effect, and to send back the record in the case to the court below, together with a copy of such exemplification which has been registered as above mentioned.

## DEPARTMENT OF JUSTICE.

*I.S.C., Cap. 21.)*

The Department of Justice is composed of the Minister of Justice, the Solicitor General, the Deputy Minister of Justice, and such officers as are requisite for the proper conduct of the business of the department.

The Minister of Justice of Canada is *ex-officio* Her Majesty's Attorney General of Canada and holds office during pleasure. As Minister of Justice he is the legal adviser of the Governor-in-Council and the legal member of Her Majesty's Privy Council for Canada; he sees that the administration of public affairs is in accordance with law; he has the superintendence of all matters connected with the administration of Justice in Canada, not within the jurisdiction of the Governments composing the same; he advises upon the Legislative Acts and proceedings of each of the Legislatures of the Provinces of Canada, and generally advises the Crown upon all matters of law referred to him by the Crown; and he is charged generally with such other duties as are assigned to him by the Governor-in-Council. As Attorney General of Canada he is entrusted with the power and charged with the duties which belong to the office of Attorney General of England by law or usage so far as the same powers and duties are applicable to Canada, and also with the powers and duties which, by the law of the several Provinces, belong to the Attorney General of each Province up to the time when "The British North America Act, 1867," came into effect, and which laws, under the provisions of the said Act, are to be administered and carried into effect by the Government of Canada; he advises the heads of the several departments of the Government of Canada upon all matters of law connected with such departments; he is charged with the settlement and approval of all instruments issued under the Great Seal of Canada; he has the superintendence of penitentiaries and the prison system of Canada; he has the regulation and conduct of all litigations for or against the Crown

or any public department, in respect of any subjects within the authority or jurisdiction of Canada; and he is charged generally with such other duties as are at any time assigned to him by the Governor-in-Council.

The Solicitor General of Canada assists the Minister of Justice in the counsel work of the Department of Justice. The Solicitor General of Canada may be a member of the House of Commons.

*Solicitor General.*—

*Deputy Minister of Justice (acting).*—Augustus Power, Q.C.

#### Penitentiaries.

The penitentiaries in Canada are under the control of the Department of Justice, Ottawa.

The total convict population of Canada, on the 30th June, 1886, was 1,200 as against 1,112 on the 30th June, 1885, showing an increase, in the year, of 88.

The increase in the convict roll of each Penitentiary was as follows:—

Kingston .....	41
St. Vincent de Paul .....	17
Dorchester .....	3
Manitoba .....	18
British Columbia .....	9
Total .....	88

However much any addition to the number of convicts of the preceding year is to be regretted, there is some solace and encouragement in the fact that the increase noted is not out of proportion to the growth of the general population.

**SUPREME COURT OF CANADA.**

(*R. S. C., Cap. 135, and amended by 50-51 Vic., Cap. 16.*)

This Court is composed of one Chief Justice and five Puisne Judges.  
 The seat of the Court is in Ottawa where all the Judges must reside.

**Jurisdiction.**

The Supreme Court holds appellate civil and criminal jurisdiction throughout the Dominion.

An appeal lies to the Supreme Court,—

(a.) From all final judgments of the highest court of final resort in any Province of Canada, whether such court is a court of appeal or of original jurisdiction, in cases in which the court of original jurisdiction is a superior court;

(b.) From the judgment upon a special case unless the parties agree to the contrary, and the Supreme Court draws any inference of fact from the facts stated in the special case which the court appealed from should have drawn;

(c.) From the judgment upon any motion to enter a verdict or non-suit upon a point reserved at the trial;

(d.) From the judgment upon any motion for a new trial upon the ground that the judge has not ruled according to law ;

(e.) From any judgment, decree, decretal order, or order in any action, suit, cause, matter or other judicial proceeding originally instituted in any superior court of equity in any Province of Canada other than the Province of Quebec, and from any judgment, decree, decretal order, or order in any action, suit, cause, matter or judicial proceeding, in the nature of a suit or proceeding in equity, originally instituted in any superior court in any Province of Canada other than the Province of Quebec ;

(f.) From the judgment, rule, order or decision upon any motion to set aside an award made in any superior court in any of the Provinces of Canada other than the Province of Quebec ;

(g.) From the judgment in any case of proceedings for or upon a writ of *habeas corpus*, not arising out of a criminal charge,—and in any case of proceedings for or upon a writ of *mandamus*,—and in any case in which a by-law of a municipal corporation has been quashed by rule or order of court, or the rule or order to quash it has been refused after argument.

(h.) And in cases in the Province of Nova Scotia, New Brunswick and Prince Edward Island, wherein the sum or value of the matter in dispute amounts to two hundred dollars or upwards, in which the Court of first instance possesses concurrent jurisdiction with a Supreme Court.

The Court has also jurisdiction,—

(a.) In appeals in criminal cases as hereinafter provided ;

(b.) In appeals from the Exchequer Court.

(c.) In appeals from the Maritime Court of Ontario.

(d.) In appeals from the Court or judge as provided in “The Dominion Elections Act ;” and—

(e.) In appeals from the Court or judge as provided in “The Winding-up Act.”

No appeal lies under this Act from any judgment rendered in the Province of Quebec in any action, suit, cause, matter or other judicial proceeding, wherein the matter in controversy does not amount to the sum or value of two thousand dollars, unless such matter, if less than that amount,—

(a.) Involves the question of the validity of an Act of the Parliament of Canada, or of the Legislature of any of the Provinces of Canada, or of Ordinance or Act of any of the councils or legislative bodies of any of the Territories or Districts of Canada ; or—

(b.) Relates to any fee of office, duty, rent, revenue or any sum of money payable to Her Majesty, or to any title to lands or tenements, annual rents or such like matters or things where the rights in future might be bound :

Provided that such appeals lie only from the Court of Queen's Bench.

No appeal is allowed in any case of proceedings for or upon a writ of *habeas corpus* arising out of any claim for extradition made under any treaty.

## APPEALS AND NEW TRIALS IN CRIMINAL CASES.

Any person convicted of any indictable offence or whose conviction has been affirmed before any Court of Oyer and Terminer or Gaol Delivery or before the Court of Queen's Bench in the Province of Quebec, on its Crown side, or before any other superior Court having criminal jurisdiction, whose conviction has been affirmed by any court of last resort, or, in the Province of Quebec, by the Court of Queen's Bench on its appeal side, may appeal to the Supreme Court against the affirmance of such conviction; and the Supreme Court shall make such rule or order therein, either in affirmance of the conviction or for granting a new trial, or otherwise, or for granting or refusing such application, as the justice of the case requires, and shall make all other necessary rules and orders for carrying such rule or order into effect: Provided that no such appeal shall be allowed if the court affirming the conviction is unanimous, nor unless notice of appeal in writing has been served on the Attorney General for the proper Province, within fifteen days after such affirmance.

Unless such appeal is brought on for hearing by the appellant at the session of the Supreme Court during which such affirmance takes place, or the session next following, if the said court is not then in session, the appeal shall be held to have been abandoned, unless otherwise ordered by the Supreme Court.

The Judgment of the Supreme Court shall, in all cases, be final and conclusive.

Except as hereinbefore provided, a new trial shall not be granted in any criminal case unless the conviction is declared bad for a cause which makes the former trial a nullity, so that there was no lawful trial in the case: but a new trial may be granted in cases of misdemeanor in which, by law, new trials may now be granted.

Notwithstanding any royal prerogative, or anything contained in "The Interpretation Act" or in "The Supreme and Exchequer Courts Act," no appeal shall be brought in any criminal case for any judgment or order of any court in Canada to any Court of appeal established by the Parliament of Great Britain and Ireland, by which appeals or petitions to Her Majesty in Council may be ordered to be heard.

## HABEAS CORPUS.

Every judge of the court has concurrent jurisdiction with the courts or judges of the several Provinces, to issue the writ of *habeas corpus ad subjiciendum*, for the purpose of an inquiry into the cause of commitment, in any criminal case under any Act of the Parliament of Canada, but such judge shall not have such jurisdiction in *habeas corpus* matters arising out of any claim for extradition made under any treaty.

If the judge refuses the writ or remands the prisoner, an appeal lies to the court.

In any *habeas corpus* matter before a judge of the Supreme Court, or on appeal to the Supreme Court in any *habeas corpus* matter, the court or

judge has the same power to bail, discharge or commit the prisoner or person, or to direct him to be detained in custody or otherwise to deal with him as any court, judge or justice of the peace having jurisdiction in any such matters in any Province of Canada.

On any appeal to the Supreme Court in any *habeas corpus* matter, it is not necessary, unless the court otherwise orders, for any prisoner or person on whose behalf such appeal is made, to be present in court; but the prisoner or person shall remain in the charge or custody to which he was committed or had been remanded, or in which he was at the time of giving the notice of appeal, unless at liberty on bail, by order of a judge of the court which refused the application or of a judge of the Supreme Court; but the Supreme Court may, by writ or order, direct that such prisoner or person shall be brought before it.

An appeal to the Supreme Court in any *habeas corpus* matter shall be heard at an early day, whether in or out of the prescribed sessions of the court.

#### CERTIORARI.

A writ of *certiorari* may, by order of the court or a judge thereof, issue out of the Supreme Court, to bring up any papers or other proceedings had or taken before any court, judge or justice of the peace and which are considered necessary with a view to any inquiry, appeal or other proceeding had or to be had before the court.

#### SPECIAL CASES REFERRED TO THE COURT.

The Governor in Council may refer to the Supreme Court any matter which he thinks fit to refer, to obtain an opinion from the court.

The Supreme Court or any two judges of the court have to examine and report upon any private bill or petition which may be referred to them by the Senate or House of Commons.

#### SPECIAL JURISDICTION OF SUPREME COURT.

1. When the Legislature of any Province of Canada has passed an Act agreeing and providing that the Supreme Court and the Exchequer Court, or the Superior Court alone, shall have Jurisdiction in any of the following cases, that is to say :—

First.—Of controversies between the Dominion of Canada and such Province.

Second.—Of controversies between such Province and any other Province or Provinces which have passed a like Act.

Third.—Of suits, actions or proceedings in which the parties thereto, by their pleadings, have raised the question of the validity of an Act of the Parliament of Canada, when, in the opinion of a judge of the court in which the same are pending, such question is material.

Fourth.—Of suits, actions or proceedings in which the parties thereto, by their pleadings, have raised the question of the validity of an Act of the

Legislature of such Province, when, in the opinion of a judge of the court in which the same are pending, such question is material.

This section and the two following shall be in force in the class or classes of cases in respect of which such Act so agreeing and providing has been passed.

2. The proceedings in the cases firstly and secondly mentioned shall be in the Exchequer Court, and an appeal shall lie in any such case to the Supreme Court; and in the cases thirdly and fourthly mentioned in such section, the judge who has decided that such question is material shall, at the request of the parties, and may, without such request, if he thinks fit, order the case to be removed to the Supreme Court for the decision of such question, and it shall be removed accordingly; and after the decision of the Supreme Court the said case shall be sent back, with a copy of the judgment on the question raised, to the court or judge whence it came, to be then and there dealt with as to justice appertains.

3. The two sections next preceding shall apply only to cases of a civil nature, and shall take effect in the cases therein provided for respectively, whatever is the value of the matter in dispute, and there shall be no further appeal to the Supreme Court on any point decided by it in any such case, nor on any other point in such case, unless the value of the matter in dispute exceeds five hundred dollars.

#### PROCEDURE IN APPEALS.

Except in special cases, as otherwise provided, every appeal shall be brought within sixty days from the signing or entry or pronouncing of the judgment appealed from.

No writ shall be required or issued for bringing any appeal in any case to or into the Supreme Court, but it shall be sufficient that the party desiring so to appeal shall, within the time herein limited in the case, have given the security required and obtained the allowance of the appeal.

Whenever error in law is alleged, the proceedings in the Supreme Court shall be in the form of an appeal.

The Clerk of the Court appealed from shall, upon payment to him of the proper fees, and the expenses of transmission, transmit the case forthwith after such allowance to the Registrar of the Supreme Court, and further proceedings shall thereupon be had according to the practice of that court.

No appeal shall be allowed until the applicant has given security, to the extent of five hundred dollars, to the satisfaction of the court from whose judgment he is about to appeal, or a judge thereof, or to the satisfaction of the Supreme Court, or a judge thereof, that he will effectually prosecute his appeal and pay such costs and damages as may be awarded against him by the Supreme Court.

This section shall not apply to appeals by or on behalf of the Crown in election cases, in cases in the Exchequer Court, in criminal cases, or in proceedings for or upon a writ of *habeas corpus*.

- b.* Every claim against the Crown for damage to property, injuriously affected by the construction of any public work.

### PETITIONS OF RIGHT.

(R.S.C., Cap. 136)

A petition of right is an ancient common law remedy for the subject against the Crown and is said to owe its origin to Edward the first. Being instituted for the purpose of preserving entire the respect and submission due to the Sovereign, it can be adopted only against him. In every case however in which the subject has a right against the Crown, a petition is

the birthright of the subject and is sustainable at common law ; and this not only in case of Real property but of chattels, real and personal property, or unliquidated damages. It is called a " Petition of Right " because the Sovereign is bound " of Right " to answer it and let the matter therein contained be determined in a legal way in like manner as between subject and subject.

Another definition of the Petition of Right is "a petition presented by a subject to the Crown stating some infringement of the suppliant's legal rights to the Crown or its officers and praying redress therefor."

The person presenting the Petition is usually called the " suppliant," the Crown " the respondent," and the answer given by the Crown " the endorsement or *fiat*."

#### PROCEEDINGS.

Claims against the Crown are prosecuted by petition of right, or referred to the Court of the Exchequer by the head of the Department in connection with the administration of which the claim arises, and if any such claim is so referred, no *fiat* shall be given on any petition of right in respect thereof.

Petitions of right are addressed to Her Majesty, in the form specified by the Act, and left with the Secretary of State of Canada, for submission to the Governor-General, so that he may consider it and, if he thinks fit, grant his *fiat* that right be done (Let Right be done); and nothing is payable by the suppliant on leaving or upon receiving back the petition.

Upon the Governor-General's *fiat* being obtained, the petition and *fiat* are filed in the Exchequer Court of Canada, which court has exclusive original cognizance of such petitions, and thereafter a copy of the petition and *fiat* is left at the office of the Attorney-General of Canada.

There is no preliminary inquisition finding the truth of the petition, or the right of the suppliant, but the statement in defence or demurrer, or both, has to be filed within four weeks after service of the petition, or such further time as is allowed by the court or a judge.

If the petition is presented for the recovery of any real or personal property, or any right in or to the same, which has been granted away or disposed of by or on behalf of Her Majesty, or Her predecessors, a copy of the petition and *fiat*, endorsed with a notice to the effect as specified by the Act, is served upon the person in the possession or occupation of such property or right; and it is not necessary to issue any *scire facias* or other process to such person for the purpose of requiring him to file his statement in defence, but if he intends to contest the petition he must within four weeks after such copy has been so served, or within such further time as is allowed by the court, file his statement of defence or demurrer, or both.

The petitions of right are tried before the Exchequer Court, without a jury.

### THE LAW SOCIETY OF ONTARIO.

The first Act relating to the profession of Law in Upper Canada was the Ordinance of Quebec (29 Geo. III., Cap. 4), which was repealed by the Act of 1797.

The Law Society was established in 1797, by the Act 37, Geo. III., c. 13, which enabled the then practitioners of the law to form themselves into a society, and make rules for its government. By the Act of 1822, 2 Geo. IV., c. 5, "The Treasurers and Benchers of the Law Society" were formally incorporated, and under these and other statutes the Society has continued to be governed by a Board of Benchers, in the same manner as the various Law Societies of England. By Revised Statutes of Ontario, c. 138, the Benchers theretofore appointed, from time to time, by their own body, are made, exclusive of *ex-officio* members, elective by the Bar, the *ex-officio* consisting of the Attorney General of the Dominion for the time being, if a member of the Bar of Ontario, and all members of the Bar of Ontario who have at any time held the office of Attorney General of the Dominion or of Ontario, or of Attorney or Solicitor-General of the former Province of Upper Canada, and any retired Judge of the Superior Courts of Law or Equity of Ontario; the *elective*, thirty in number, being chosen by the ballot, for a term of five years, by the members of the Bar, in a manner prescribed by the Act. Vacancies during the term are filled by the remaining Benchers. On the first day of Easter Term, annually, the Benchers appoint one of their body to be Treasurer, who is also President of the Society. The Benchers sit in convocation every term for the call of barristers, the admission of attorneys and solicitors to practice, and of students to enter the Society, the fees paid by whom form the revenue of the Society. Osgoode Hall, appropriately named after the first Chief Justice, is the Ontario "Inn of Court," or headquarters of the Society, in which is provided accommodation for the Court of Appeal and Courts of Equity, and for the sittings in term of the Superior Courts, with a valuable and extensive library.

**THE ONTARIO JUDICATURE ACT.**

By an Act of the Legislative Assembly of Ontario (44 Victoria, Cap. 5), put into operation from the 22nd of August, 1881), the Superior Courts of Ontario were consolidated, and a uniform system of pleading and practice was established, under the name of

**THE SUPREME COURT OF JUDICATURE FOR ONTARIO,**

This Court consists of two permanent Divisions:—1st, The "*High Court of Justice for Ontario*," (composed of the Court of Queen's Bench, Chancery, and Common Pleas); 2nd, The "*Court of Appeal for Ontario*."

The Presidents of the Queen's Bench, Chancery and Common Pleas Division are called "Justices of the High Court," have in all respects equal power, authority and jurisdiction, and, for precedence, they rank in order of seniority.

**COURT OF APPEAL FOR ONTARIO.**

Originally constituted for the hearing of appeals in civil cases from the Queen's Bench, Chancery and Common Pleas Divisions of the High Court of Justice, and from the County; and by recent Statute the Division Courts also in cases defined as to amount, and appeals from criminal cases from

\* These amounts, less \$10.00, are returned to the unsuccessful candidates, after the examination.

the Queen's Bench, Common Pleas, and County Courts. From the judgment of this Court an appeal lies, at the option of litigants, either to the Supreme Court of the Dominion, or to Her Majesty in Privy Council, in cases over £1,000, or where annual rent, fee, or future rights of any amount, are affected. The Judges of this Court, in addition to their appellate duties proper, take part in presiding over Courts of Oyer and Terminer and General Jail Delivery and sittings of the Queen's Bench, Chancery, and Common Pleas Divisions of the High Court of Justice, and may be placed on the rota for the trial of election petitions, with the Justices of the High Court, who, as *ex-officio* Judges of this Court, choose from their number a Judge or Judges to sit in Appeal in case of their being a vacancy in this Court, or if, from illness or some other cause, one of the Judges of the Court is unable to be present, or is under any legal disqualification to hear an appeal.

Under the *Judicature Act*, the Court of Appeal continues to have appellate jurisdiction in both civil and criminal cases, from every judgment of any of the Superior Courts:—

1st. Upon any case stated by an arbitrator, or upon any appeal authorized by law from the decision of any arbitrator or referee, or upon any motion to set aside or refer back an award;

2nd. Upon any motion for the issue of a writ of mandamus or upon any question arising upon the return of such writ;

3rd. Upon any application for a rule to quash a by-law of a Municipal Council in whole or in part, whether a rule *nisi* has been refused, discharged, or made absolute.

No other appeal from a decision of either of the Superior Courts of Law is allowed, unless the judgment, decision or other matter appealed against appears of record.

Where a new trial is granted or refused upon matter of discretion only, as on the ground that the verdict is against the weight of evidence or otherwise, no appeal is allowed.

The Court has also jurisdiction—

1st. In appeals from the County Courts;

2nd. In appeals from the Surrogate Courts;

3rd. In appeals from Stipendiary Magistrates.

## HIGH COURT OF ONTARIO.

## Jurisdiction.

The High Court is a Supreme Court of Record, and has the jurisdiction which, when the "Judicature Act" was enforced (Aug. 22nd, 1881), was vested in and exercised by the the Court of Queen's Bench, the Court of Chancery, the Court of Common Pleas, and Courts of Assize, Oyer and Terminer, and Gaol Delivery, and has all the powers, duties and authorities which were vested in these Courts respectively, sitting in Court or Chambers.

The jurisdiction vested in these Courts, before the "Judicature Act" was put in operation, was as follows:—

1. Queen's Bench.—The jurisdiction of this Court extends to all matters of actions, causes and suits, criminal and civil, personal and mixed, within Ontario, and it may proceed in such, by such process and course as are provided by law, and as shall tend with justice and despatch to determine the same, and may hear and determine all issues of law, and also (with the inquest of twelve good and lawful men, in the cases provided for) try all issues of fact, and give judgment, and award execution thereon, and also in matters which relate to the Queen's revenue (including the condemnation of contraband or smuggled goods) as may be done by Her Majesty's Superior Courts of Law in England.

2. Chancery.—This court has the like jurisdiction as the Court of Chancery in England, in cases of fraud, accident, trust, executors, administrators, copartnerships, account, mortgages, awards, dower, infants, idiots, lunatics and their estates, waste, specific performance, discovery, and to prevent multiplicity of suits, and may decree the issue, repeal or voidance, of letters patent, and generally the like powers which the Court of Chancery in England possesses to administer justice in all cases in which there is no adequate remedy at law; also in matters of revenue, as the Court of Exchequer in England possesses, and in all other matters such as to decree alimony, and to relieve against forfeiture for breach of covenant or lease, and to decide in all matters cognizable in a court of law.

3. Common Pleas.—This court, as a Court of Record, has the same powers and jurisdiction as the Queen's Bench Division. Writs of summons and *capias* issue alternately from either division.

The several jurisdictions above mentioned are now all exercised in the name of the High Court of Justice only.

The distribution of business is made among the several divisions and judges, in such a manner as determined by the Rules of Court.

The actions and proceedings in the High Court of Justice are heard before a single judge, or before a Divisional Court of the High Court, composed of two, or three, of the judges thereof.

## THE LAW OF MARRIAGE.

The law as to the solemnization of marriages is contained in the Revised Statutes of Ontario, Chapter 124, which provides for the solemnization of a marriage by any minister or clergyman of every church and religious denomination, duly appointed or ordained according to the rites and ceremonies of the church or denomination to which they respectively belong, resident in Ontario; but no such minister or clergyman shall celebrate the ceremony unless duly authorized so to do by license under the hand and seal of the Lieutenant-Governor, or by a certificate under the Act, or unless the intention of the two persons to intermarry has been proclaimed once openly and in an audible voice either in the church, chapel or meeting house in which one of the parties has been in the habit of attending worship, or with which the minister or clergyman who performs the ceremony is connected, and in the local municipality, parish or charge where one of the parties has for the space of fifteen days immediately preceding had his or her usual place of abode; such proclamation to be on a Sunday, immediately after the service begins, or after it ends, or at some intermediate part of the service.

Section 3 of the Act provides for the substitution of a certificate instead of the usual marriage license. Such license or certificate shall be issued from the office of the Provincial Secretary, and shall be furnished to parties requiring the same by such persons as the Lieutenant-Governor in Council may name for that purpose; and unauthorized persons issuing any such license or certificate for the solemnization of marriage shall forfeit the sum of \$100 for every license so issued. This does not, however, apply to the case where a deputy has been appointed with the approval in writing of the mayor or reeve of the city, township or incorporated village wherein he resides, when the issuer is prevented by illness, or unavoidable accident, or temporary absence, from acting himself. Section 7 gives him authority to appoint a deputy to act in his absence, who while so acting shall possess the powers and privileges of the issuer appointing him.

Before any license or certificate is granted by any issuer, or deputy issuer, one of the parties to the intended marriage shall personally make an affidavit, stating (a) the county or district wherein the marriage shall be solemnized; (b) that he or she believes that there is no affinity, consanguinity, pre-contract, or other lawful cause or legal impediment to bar or hinder the solemnization of the marriage; (c) that one of the parties has for the space of fifteen days immediately preceding the issue of the certificate or license had his or her usual place of abode within the county or district in which the marriage is to be solemnized; or should the place for its solemnization be not that in which either of the parties has for the space of fifteen days immediately preceding the issue of the license or certificate had his or her usual place of abode, that the reason for procuring the marriage to be solemnized in such place is not to evade due publicity or for any other improper purpose.

Then, in case either of the parties (not being a widower or widow) is under the age of twenty-one years, the affidavit shall further state that the consent of the person whose consent to the marriage is required by law has been obtained thereto. If there is no person having authority to give such consent, then upon oath made to that effect by the party requiring the license or certificate, it shall be lawful to grant a license or certificate notwithstanding the absence of any such consent. Should the issuer have personal knowledge, or reason to suspect that the affidavit is untrue, he shall not issue a license or certificate. The father, if living, of any person under the age of twenty-one (not being a widower or widow), or if the father is dead, the guardian or guardians of the person so under age, or one of the guardians, if there is more than one; or in case there is no such guardian, then the mother of the minor, if the mother is not married, shall have authority to give consent to the marriage.

Every clergyman or minister who celebrates a marriage shall, if required at the time of the marriage by either of the parties thereto, give a certificate of the marriage under his hand, for which he may demand twenty-five cents from the person requiring it.

## COMMERCIAL LAWS OF ONTARIO.

---

### Acknowledgments.

See Deeds.

### Actions.

In the High Court of Justice and in the County Courts actions are commenced by writ of summons, which is returnable immediately after service. When the action is for a debt or liquidated demand in money, the writ is specially indorsed with particulars of the plaintiff's claim, and upon default of appearance in ten days after service, final judgment may be signed without further proof of claim. Execution may be issued on this judgment at the expiration of eight days from the last day of appearance. If the defendant appears the plaintiff delivers a statement of claim; the defendant within eight days delivers a statement of his defence, set-off or counter claim, and the plaintiff delivers his reply. If the defendant appears and has no defence to the action, the plaintiff may apply for final judgment on notice, after filing an affidavit made by himself, or by any other person who can swear positively to the debt or cause of action, verifying the cause of action and stating that in deponent's belief there is no defence to the action. The court on such an application has power to order immediate judgment.

In the Division Courts the plaintiff enters with the clerk a statement of his claim, and a summons is thereupon issued, and the case tried at the court held on the eleventh day after the service on the defendant, if he

resides in the county in which the action is brought, in case none of the defendants reside in the county in which the action is brought, but one of them resides in an adjacent (*i. e.* bordering) county, the case is tried at the court held on the sixteenth day after service, and if none of the defendants reside in the county in which the action is brought, or in an adjoining county, the case is tried at the court held on the twenty-first day after service. If the claim be for any debt or money demand, where the particulars of the claim with reasonable certainty and detail are endorsed on or attached to the summons, and it be not contested, judgment may be obtained at the expiration of eight days from the service on the defendant (where the service is required to be ten days before the return), or at the expiration of twelve days from such service (where the service is required to be fifteen or twenty days before the return), and execution may be issued forthwith.

Except in cases of judgments by default of appearance in the High Court and County Courts, execution may be issued forthwith after judgment.

Priorities of judgments are regulated by the time of placing execution in the hands of the sheriff, and not by the time of obtaining the judgments.

Every debt or chose in action arising out of contract is assignable in law by any form of writing, but subject to such conditions or restrictions with respect to the right of transfer as may be contained in the original contract, and the assignee shall sue thereon in his own name. The bonds and debentures of corporations made payable to bearer, may be transferred by delivery, and the transfer vests the property in the holder thereof, and enables him to maintain the action thereon in his own name.

In case of an assignment of a debt arising out of contract and not assignable by delivery, the defendant may avail himself of any defence or set-off arising before notice of the assignment which might have been made to a suit brought by the assignor.

This Act does not apply to bills of exchange or promissory notes. It is not necessary to bring separate suits against the several parties to a bill or note; they may all be included in one action.

#### Affidavits.

Within the Province affidavits may be made before any commissioner appointed by the Superior Courts of Law for taking affidavits and recognizances or bail. Voluntary and extra-judicial oaths are prohibited. A statutory declaration may be made attesting facts or accounts, etc. Affidavits to be made in the United States, for use in the courts of Ontario, may be made before a Notary Public, certified under his hand and official seal.

#### Aliens.

By various statutory enactments the disabilities formerly imposed upon aliens have been removed, and they can now take, hold and sell real and personal property as if they were native born citizens. Aliens, although not residents in Ontario, may be sued in its courts if they are served with

process. Any person resident in Ontario may be sued in its courts upon a cause of action arising in a foreign country. Any person not resident within the Province, who brings an action in its courts, is bound, upon application being made therefor, to give the opposite party security for the costs which may be incurred in the suit.

#### Arrest.

A writ of *capias ad respondendum* is granted only when a party or plaintiff, being a creditor of, or having a cause of action against some person liable to arrest, satisfies a judge by affidavit that he has such a cause of action to the amount of one hundred dollars, and also shows that there is good and probable cause for believing that such person, unless he be forthwith apprehended, is about to quit Canada with intent to defraud his creditors generally or the plaintiff in particular.

A married woman is not liable to arrest, and as a general rule one foreigner cannot follow another into this country and arrest him for a debt contracted abroad, where the debtor intends to reside permanently in Canada or to return to the United States. But where the debtor's intention is to pass through Canada to Europe it is said that he may be followed and arrested here.

#### Assignments.

See Insolvency.

#### Attachment.

If any person, resident in Ontario, indebted to any other person, absconds from Ontario with intent to defraud the plaintiff, or to avoid arrest or service, and is at the time of departing possessed of property, etc., he is deemed an absconding debtor, and his property may be taken by a writ of attachment, for which a judge's order must be obtained upon affidavits stating the facts. Other creditors may share in the proceeds of the property seized if they issue their attachments within six months from the date of the first writ.

#### Chattel Mortgages and Bills of Sale

All sales and mortgages of personal property are void as against creditors and subsequent purchasers or mortgagees in good faith for valuable consideration, if not accompanied by an immediate delivery and an actual and continued change of possession of the goods mortgaged or sold, unless registered in the office of the clerk of the County Court of the county where the mortgagor or vendor resides, within five days from the execution thereof, together with an affidavit of the execution by a subscribing witness, and an affidavit of the mortgagee or purchaser or his agent, as to the *bona fides* of the mortgage or bill of sale. Within thirty days next preceeding the term of one year from the filing of the mortgage, a statement exhibiting the mortgagee's interest in the property and showing the amount still due for principal and interest and all payments on account thereof and on affidavit of the mortgagee (or one of the mortgagees), or his agent,

duly authorized in writing (a copy of which authority is to be filed therewith), that such statement is true, and that the mortgage has not been kept on foot for any fraudulent purpose, must be filed in the clerk's office, or the mortgage will be void as against creditors and subsequent purchasers or mortgagees in good faith. Assignments and discharges of chattel mortgages may be registered.

#### Claims against Estates of Deceased Persons.

All claims against the estates of deceased persons are enforced by action against the executor or administrator, who is appointed by, or receives his letters probate, or letters of administration from the Surrogate Court of each county. In administering the estate no distinction exists between judgment debts and other debts; all are to be paid *pari passu*.

#### Corporations.

Corporations are created by special charter, by Act of Parliament, or under the general laws relating to the incorporation of joint-stock companies by letters patent. Shareholders are in most instances liable only to the amount of their shares, and when these are paid in full, are discharged from further liability, except as to the debts due to the servants of the company. Provision is made for the winding up of joint-stock companies by statute 41 Vict., Ont., cap. 5.

#### Deeds.

The common forms may be used. A short form is provided by statute. They must be under seal (*see mortgages*), and should be in duplicate for the purpose of registration. To convey the fee it is necessary to use the word "heirs." In conveying the estate of a married woman, it is necessary that the husband should be a party to the deed, but no acknowledgment or separate examination of the wife is required.

Proof of deeds, mortgages, etc., for registration is to be made by affidavit on the instrument or securely attached to it, as follows:—

*Within the Province*, before a commissioner for taking affidavits, before the Registrar of Deeds or his deputy, or before a judge of any of the superior courts or a county court.

*In Great Britain*, before a judge of the superior courts, or of a county court, or the mayor or chief magistrate of any city, borough, or town corporate, certified under the common seal of such city, etc., or a commissioner appointed for taking affidavits in any of the courts of record in the Province.

*In a British Colony or Dependency, except India*, before a judge of a court of record, or the mayor of any city, borough, or town corporate, certified under the common seal, or before any notary public certified under his official seal.

*In India*, before any magistrate or collector certified to have been such under the hand of the Governor of the possession.

*In any Foreign Country*, before the mayor of any city, borough or town corporate, certified under the common seal, or before any British consul or vice-consul resident in such country, or before a judge of a court of record or a notary public, certified under his official seal.

#### **Evidence.**

No person is disqualified as a witness by reason of interest, as a party or otherwise. The action for breach of promise of marriage seems to be excepted. Husbands and wives of parties are competent and compellable witnesses, except as to communications made during marriage and proceedings consequent on adultery. In suits by or against representatives of a deceased or by or against a lunatic, the evidence of the opposite party must be corroborated.

#### **Executions.**

*See Judgments.* Writs of *fiery facias* against goods and chattels, and against lands, may be issued at any time, and bind the debtor's property (with few exceptions) from the time of their delivery to the sheriff. Concurrent writs may be issued in any county. The debtor's goods must be exhausted before resorting to the lands. A writ against lands is returnable in twelve months from its delivery to sheriff, and all sales under it must be advertised for three months in the Official Gazette and a local newspaper. Bank notes, money, and securities for money, shares in banks and incorporated companies, may be seized. The execution debtor may be examined as to his property, and any debts found to be due to him may be garnisheed, except wages and salaries of mechanics under twenty-five dollars. In the High Court and County Courts executions may issue forthwith on signing judgment, except in the case of judgment by default on a specially endorsed writ, which must be delayed eighteen days from the service of the writ. *See Actions.* In the Division Courts the judge may order immediate execution, or may direct the amount to be paid in such time, not to exceed fifty days, as he may see fit.

#### **Exemptions.**

Beds, bedding, and wearing apparel of the debtor and his family, and a certain quantity of household furniture, provisions and farm stock and tools, and implements of trade, to the value of sixty dollars, are exempt from seizure under any writ of execution whatever, and the same goods are, after the death of the debtor, exempt from the claims of his creditors. Free grants and homesteads to actual settlers in the Districts of Algoma Nipissing, and of certain lands between the River Ottawa and the Georgian Bay, are also exempt from seizure.

#### **Garnishments.**

*See Executions*

#### **Insolvency.**

By an Act of Parliament of the Dominion of Canada, which came into force on the first of April, 1880, the Insolvent Acts previously in force were

repealed, except as to cases where the estate of an insolvent was vested in an official assignee previous to the passing of the Act.

#### Interest.

Parties may agree to pay any rate of interest, but in the absence of agreement six per cent. only is recoverable. Banks cannot recover more than seven per cent. See Mortgages.

#### Judgments.

A Judgment is a lien on land only from the time of the delivery to the sheriff of a writ of *feri facias* against lands; such writ must, until actual seizure of the lands, be renewed every year. Where there are several writs they are to be satisfied in the order in which they are delivered to the sheriff.

Foreign Judgments.—A defendant sued in the courts of Ontario on a foreign judgment of a court to the jurisdiction of which he was subject, cannot set up as a defence thereto any defence which he set up or might have set up to the original action, if he was personally served with process in such original action, or appeared or pleaded therein.

#### Liens.

See Mechanics' Liens; also Judgments.

#### Limitations.

Actions on contracts, notes, and instruments not under seal, and for arrears of rent, or for interest on money charged on land, must be commenced within six years from the time the cause of action accrues; actions of trespass, assault, battery, wounding and imprisonment, within four years next after the cause of action arose; actions of slander, within two years next after the words spoken. In case of a plaintiff being under the disabilities of infancy, coverture, or lunacy, the time runs from the removal of the disability. No greater time is allowed by reason of a plaintiff's absence from Ontario. In cases in which a married woman can maintain an action in her own name, no further time will be allowed.

Actions to recover money secured by mortgage, judgment, or lien, or otherwise charged upon, or payable out of any land or rent, or any legacy, must be brought within ten years next after a present right to receive the same shall have accrued to some person capable of giving a discharge for the same, unless in the meantime a part payment has been made, or written acknowledgement given, in which case the action must be brought within ten years from the time of the part payment or acknowledgement.

Actions to recover land must be brought within ten years after the right of action accrued to the claimant of the person whose estate he claims. As to lands granted by the Crown of which the grantee has not taken possession, and some other person not claiming under him has taken possession while the land is in a state of nature, the right to bring an action is deemed

to accrue at the time when the owner first obtained knowledge of the land being in the actual possession of such other person; but no such action shall be brought after twenty years from the time that possession was taken.

Persons under the disability of infancy, lunacy, or coverture, and their representatives are allowed five years from the termination of their disability or death, notwithstanding the expiring of the period of ten years in which to bring the action; but no action, etc., shall be brought except within twenty years next after the right of action accrued. And as regards real estate, etc., no further time is allowed to persons absent from the Province.

#### Maritime Court.

No right or remedy *in rem* given by the Act only shall be enforced as against any subsequent *bonâ fide* purchaser or mortgagee of a ship, unless the proceedings for the enforcement thereof be begun within ninety days from the time when the same accrued, and no such right or remedy shall be enforced against any *bonâ fide* mortgagee under a mortgage duly executed and registered prior to October 1, 1878; nor shall any such right or remedy in respect of claims for towage or for damage by collision be enforced against any *bonâ fide* mortgage duly executed and registered at an Ontario or Quebec port. The court has no jurisdiction in any prize cause nor in other specified cases involving Imperial interests.

#### Married Women.

Every woman married since the 4th day of May, 1859, without any marriage settlement, holds all her property, real and personal, free from the debt and control of her husband. Property received by her from him during marriage is excepted. Women married before the 4th day of May, 1859, are similarly protected as to their real estate not then reduced into the husband's possession. Wife's separate property is liable for debts contracted by her before marriage, and husband's liability therefor is limited to the extent of the interest he may take in the wife's property under the marriage contract.

All wages and personal earnings of a married woman, and all acquisitions therefrom, and all profits of any trade carried on separately from her husband, or derived from her literary or scientific, or artistic skill, are protected from her husband's debts, and are enjoyed by her and disposed of without his consent as fully as if she were a *femme sole*. She may insure her husband's life with his consent, or her own, and the insurance is free from claims of her husband's creditors. She may hold stocks, make deposits in savings banks, etc., as if she were sole. She may sue in her own name alone for the recovery of her debts, or the protection of her property, and she may be sued separately from her husband in respect of her separate debts, contracts, or torts, as if she was unmarried. She may bequeath her property by will. She is not liable to arrest. She may convey her real property by deed in which her husband joins, and may appoint an attorney

in same manner, and no separate examination is required. Judge may dispense with concurrence of husband when he is a lunatic, or residence not known, or if he is living apart from his wife by consent. A wife is entitled to dower out of all lands (with a few exceptions) of which her husband was seized at and after their marriage in which she did not bar her dower during his lifetime; but a husband can only be tenant by courtesy of such of his wife's lands as she died seized of.

#### **Mechanics' Liens.**

Every mechanic, machinist, builder, miner, contractor, or other persons doing work on, or furnishing material to be used in constructing any building, etc., at request of the owner, has a lien for the same upon the building, etc., and the land occupied thereby, and usually enjoyed therewith to the extent of the owner's interest. The lien must be registered in the County Registry Office during progress of work, or within one month after completion, and ceases to exist unless proceedings are taken to enforce it within ninety days from completion, in the County or Division Courts, or the Court of Chancery, according to the amount. Mechanics entitled to lien on a chattel for work done may sell the chattel if (after three months) payment is not made.

Mortgages must be under seal. A wafer or some other adhesive substance should be used. A mortgage is foreclosed by action in the High Court. Special provision is made for regulating the recovery of interest upon moneys secured by mortgage in certain cases. There is no redemption after the sale or foreclosure under the decree. A mortgage is discharged by the registration, in the Land Registry Office, of a certificate, under the hand of the mortgagee, or his assignee or representative entitled to the money, stating that the mortgage money has been paid. The execution of the certificate for registration is proved in the same manner as that of deeds and mortgages.

#### **Notes and Bills of Exchange.**

The law as to promissory notes and bills of exchange may be said to be the same as that which prevails in England and the United States. Bills and notes which fall due on a legal holiday are payable and must be presented the day after such holiday. (See page 15.)

#### **Proof of Claims.**

A solicitor should be furnished with the Christian names, surnames and residences of all the proposed plaintiffs and defendants, and with particulars of the claim, if on an open account. If on a judgment, an exemplification of the judgment, under the seal of the Court and hand of the chief judicial officer, is required. Where the plaintiff is resident out of the Province security for costs may be ordered by the Court on the application of the defendant, in which case the bond of two householders in the sum of two hundred dollars must be given, or that amount deposited in the court to

abide the event of the suit. If the claim is contested it must be proved in the usual way, or by taking evidence on commission when the witnesses reside abroad.

#### **Recording Deeds, Mortgages, Etc.**

After the grant from the Crown every instrument affecting land will be adjudged fraudulent and void against any subsequent purchaser or mortgagee for valuable consideration without actual notice, unless registered in the Registry Office of the county where the lands lie, before the registering of the instrument under which such subsequent purchaser or mortgagee may claim.

#### **Redemption.**

See Mortgages; also Taxes.

#### **Replevin.**

Whenever any personal property has been wrongly distrained or otherwise wrongly taken or detained, it may be replevied under writ issued, upon the plaintiff giving a bond to the Sheriff in treble the value of the property. In default of appearance the plaintiff may sign final judgment for a nominal sum and costs according to the proper scale of the court in which the action is brought. If the defendant appears, the parties plead to issues and proceed to trial.

#### **Supplementary Proceedings.**

Upon an affidavit showing the return of an execution wholly or partly unsatisfied, a judgment debtor may be examined concerning his property and concerning debts due or owing from third parties to him. These third parties can be proceeded against by process of garnishment.

#### **Taxes.**

Lands may be sold for taxes whenever any part of the tax has been due for three years. The sale is made by the County Treasurer in counties, and the High Bailiff in cities. The owner may redeem the property within one year after sale.

### THE JUDICATURE ACT.

By the Revised Statutes of the Province of Quebec, now being under print and shortly to come into operation, the Judicature Acts are consolidated and amended as hereinafter mentioned.

The courts of the Province in civil, criminal and mixed matters are:

1. The Court of Queen's Bench, divided into criminal court and civil court of appeals.

2. The Superior Court.

3. The Circuit Court.

4. The Commissioners' Court.

5. The District Magistrates' Court.

6. The Court of Sessions of the Peace.

7. The Court of Justices of the Peace.

8. The Recorder's Court.

9. The Court of Vice-Admiralty, which is a Court of Imperial constitution, over which the Legislature has no control.

The jurisdiction of the Court of Queen's Bench so divided, of the Superior Court, of the Circuit Court and of the Court of the Justices of the Peace is general and covers the whole Province: the jurisdiction of the Commissioners' Court, the District Magistrates' Court, the Court of Sessions of the Peace and of the Recorder are limited to certain localities.

#### THE COURT OF QUEEN'S BENCH.

This Court is composed of six judges, one chief justice and five puisné judges, appointed by the Governor-General.

Two at least must reside in Montreal and two in Quebec, but all must reside at or near one of those two cities.

#### Appellate Jurisdiction of the Court of Queen's Bench.

The Court of Queen's Bench holds an appellate civil jurisdiction and also the jurisdiction of a Court of Error, with power over all causes, matters and things appealed or removed by writ of appeal or of error, from all courts and jurisdictions wherefrom an appeal or writ of error by law lies, unless such appeal or writ of error is expressly directed to be to some other court.

The Court of Queen's Bench sitting in appeal and error is a Court of Error in criminal as well as in civil cases, and has jurisdiction in error in all criminal cases before the said court on the Crown side thereof, or before any Court of Oyer and Terminer, or Court of Quarter Sessions; and the writ of error operates a stay of execution of the judgment of the court below.

#### WHERE APPEALS ARE ENTERED.

By the 22nd section of chap. 77, C. S. L. C., cases in appeal or error, from the districts of Ottawa, Montreal, Terrebonne, Joliette, Richelieu, St. Francis, Bedford, St. Hyacinthe, Iberville and Beauharnois are heard and determined at the City of Montreal *only*, and the writs in such cases returnable there; and cases in appeal or error from the districts of Three Rivers, Quebec, Saguenay, Gaspé, Chicoutimi, Rimouski, Kamouraska, Montmagny, Beauce and Arthabaska are heard and determined at the City of Quebec *only*, and the writs in such cases returnable there.

#### Criminal Jurisdiction of the Court of Queen's Bench.

Except such cases as are cognizable only by the jurisdiction of the Admiralty, the Court of Queen's Bench, Crown side, has criminal jurisdiction throughout the province over all crimes and misdemeanors committed within its limits, with full power and authority to try and determine all pleas of the Crown and criminal trials *thereon*, treasons, murders, felonies and misdemeanors, crimes and criminal offences whatsoever, had, done or committed, or whereof cognizance may lawfully be taken within the province.

The judges of the court are justices and conservators of the peace and coroners in and throughout the province.

Except cases pending before any court of general sessions of the peace, in which a trial by jury is allowed, which may be removed into the Court of Queen's Bench, by *certiorari*, no cause, matter or thing can be removed into the said court from any other court.

In any district in which no court of general sessions of the peace is held, or in which the holding of such sessions has been discontinued, the Court of Queen's Bench can, at any term thereof, held for the exercise of its original criminal jurisdiction, have cognizance of, try and determine all matters and appeals of which by law the court of general sessions would have cognizance if such court were held in the district.

Such appeals lie accordingly to the Court of Queen's Bench, and the judges and the officers thereof, have, with respect thereto, the powers of the court of general sessions of the peace whenever no such court is held in the district, and the Court of Queen's Bench has and exercises any powers and does any act or thing which the court of general sessions, if held in such district, would have or do.

The terms or sittings of the Court of Queen's Bench, in the exercise of its criminal jurisdiction, are held by any one or more judges, and any one or more of them form a quorum, and may exercise all the powers and jurisdiction of the court.

Any one of the judges of the Superior Court may hold any term of the Court of Queen's Bench, for the exercise of the original criminal jurisdiction of that court, and shall have all the powers of a judge thereof, and of the court.

But it is not incumbent upon any judge of the Superior Court to hold any such term or exercise any such powers at either of the cities of Quebec or Montreal, if a judge of the Court of Queen's Bench be present at such city and able to act.

Except in the cities of Quebec and Montreal, the exercise of the jurisdiction of the Queen's Bench Court is vested with the judges of the Superior Court.

Excepting the Court of Queen's Bench, all courts and magistrates, and all other persons, and bodies politic and corporate within the Province, are subject to the superintending and reforming power, order and control of the Superior Court and of the judges thereof, as by law provided ; and so far as regards any unrepealed provision of any Act in force in Lower Canada at the time the said Act, 12 V., c. 38, came fully into effect, the said Superior Court is substituted for the Courts of Queen's Bench abolished by the said Act, and such unrepealed provision shall apply to the Superior Court as it theretofore applied to the said Courts of Queen's Bench ; and such superintending and reforming power and control are hereby vested in and assigned to the said Superior Court, and the judges thereof.

## THE CIRCUIT COURT.

The Circuit Court is a court of record, presided over by one of the judges of the Superior Court throughout the Province.

In the district of Montreal there is provision for the appointment of two judges who shall always be available for the business of the Circuit Court.

### Jurisdiction.

The Circuit Court has ultimate jurisdiction to the exclusion of the Superior Court :—

1. In all suits wherein the amount or the value of the thing demanded is less than one hundred dollars, saving the exceptions contained in the following article, and such cases as fall exclusively within the jurisdiction of the Court of Vice-Admiralty :

2. In all suits for school taxes or school fees, and all suits concerning assessments for the building or repairing churches, parsonages and churchyards, whatever may be the amount of such suits.

*Except in the districts of Quebec and Montreal*, the Circuit Court has original jurisdiction, to the exclusion of the Superior Court, but subject to appeal :—

1. In all suits in which the sum of the value of the thing demanded amounts to or exceeds one hundred dollars, but does not exceed two hundred dollars, saving the exception contained in the second paragraph of the preceding article :

2. In all suits for fees of office, duties, rents, revenues, or sums of money payable to the Crown, or which relate to any title to lands or tenements, to annual rents, or such like matters whereby rights in future may be bound, even though the amount claimed be under one hundred dollars.

The Circuit Court may take cognizance upon evocation of any suit brought before the Commissioners' Court for the summary trial of small causes, in the cases secondly enumerated in the preceding article.

The Circuit Court has also concurrent jurisdiction with the Superior Court, by means of *certiorari*, over judgments rendered, within the limits of the district or circuit for which it is held, by the Commissioners' Court mentioned in the preceding article, or by justices of the peace, wherever a *certiorari* lies.

It has also an appellate jurisdiction over judgments rendered by a Commissioners' Court or by justices of the peace, for taxes, assessments or penalties, imposed under the Municipal Road Act of Lower Canada.

Whenever any suit or action relates to fees of office, rights, rents, revenues or sums of money payable to the Crown ; titles to lands or tenements ; annual rents or other matters by which rights in future may be affected, the defendant may, before pleading to the merits, evoke the suit or action, and require it to be removed to the Superior Court in the same district for hearing and judgment.

All the powers conferred upon the Superior Court, or upon the judges and officers thereof, respectively, relating to matters within their jurisdic-

tion, are also conferred upon the Circuit Court, within the limits of its cognizance, and upon the judges who hold such court and upon the officers of the said Court respectively.

All commissioners and other persons authorized to receive affidavits to be used in the Superior Court, have also like power with regard to the Circuit Court.

The Circuit Court for any district is held at the same place as the Superior Court, and its jurisdiction extends over the whole district, and is designated by the name of such district.—It cannot, however, grant more costs against a defendant than he would have had to pay if he had been sued before the Circuit Court in the county in which he resides, and in which the cause of action originated.

### COMMISSIONERS' COURTS.

#### Constitution of the Court.

Upon a petition of at least one hundred proprietors of lands or tenements in any parish, township or extra-parochial place in the Province, forming the majority of the municipal electors therein, praying for the establishment therein of a Commissioners' Court, the Lieutenant-Governor may establish such a court and appoint one or more persons resident there, to be Commissioner or Commissioners, and to hold the Court therein.

No bailiff (constable), tavern-keeper, hotel-keeper or person keeping a house of public entertainment, shall be appointed or act as a Commissioner.

In the Magdalen Islands, and localities situated on the river Saguenay and on the rivers Madawaska and St. Jean, the signature of one hundred inhabitant householders, *tenant feu et lieu*, therein to the petition above mentioned is sufficient to obtain the erection of a Commissioners' Court.

No Commissioners' Court shall be held in the cities of Quebec and Montreal, or in the city and parish of Three Rivers.

No more than one Commissioners' Court shall be held in any parish, township or extra-parochial place, although several Commissioners have been appointed for the same.

#### Discontinuance and re-Establishment of the Courts.

The Lieutenant-Governor may suspend or discontinue the Commissioners' Court in any place, when the majority of the inhabitants who are entitled to vote at municipal elections, sign and present to him a petition therefor, with annexed to it a certificate of at least three resident justices of the peace certifying that the persons signing the petition do really form an absolute majority of the municipal electors residing therein.

No court so suspended or discontinued shall be re-established, unless on a petition signed and certified as above mentioned.

### Duties of Commissioners.

Every Commissioner, before proceeding to exercise his functions as such, shall take and subscribe an oath before some justice of the peace, well and duly, to the best of his judgment and capacity to perform the duties of his office.

### Clerks of the Court.

Each Commissioners' Court appoints its clerk.

The appointment shall be vested in the Commissioner, if there be only one, or in the majority of the Commissioners where there are more than two Commissioners, and where there are two Commissioners, the appointment of such clerk shall be vested in the Commissioner whose name is first upon the list.

### Fees of Clerks and Bailiffs.

The fees of the clerk of any commissioners' court are the following:—

1. For every summons made and delivered by him, by order of the court or any commissioner entitled to sit therein.....	30 cts.
2. For every copy of a summons .....	10
3. For every subpoena .....	15
4. For every copy.....	10
5. For every judgment and copy thereof.....	25
6. For every warrant of execution or seizure.....	25
7. For every copy thereof.....	10
8. For entering every opposition allowed by a commissioner..	10

The bailiff has a right to receive for every service of process and certificate thereof, the sum of twenty cents, and six cents and two-thirds of a cent per mile for the distance he has gone to perform such service, the distance in returning not entitling him to any allowance; but the bailiff, by whom several services are made upon the same defendant, shall not be entitled to travelling expenses for more than one journey.

### Powers and Jurisdiction.

The commissioners cannot sit and hold their court separately and at the same time in the same locality. The court may be held by one commissioner, and several or all of the commissioners may likewise sit together. They must decide according to equity and good conscience, and to the best of their ability and judgment.

The commissioners have, for keeping order during their sittings, and for enforcing the execution of their warrants, orders and judgments, the same powers as the other courts of Lower Canada.

They may be recused for the same reasons as judges of other courts. The recusation must be in writing.

If all the commissioners are recused by either parties, the case is immediately transmitted to the nearest commissioners' court, which decides upon the validity of the recusation, and afterwards hears and determines

the merits of the case, in the event only of the recusation being maintained. But if the recusation is overruled, the case is sent back to the former court, which may, without reference to the merits, tax the cost of such recusation against the party who made it.

The commissioners' court exercises an ultimate jurisdiction in all suits purely personal or relating to movable property, which arise from contracts or quasi-contracts, and wherein the sum or value demanded does not exceed twenty-five dollars, and defendant resides:

1. In the locality of the court;
2. In another locality, but in the same district and within a distance of five leagues, if the debt has been contracted in the locality for which the court is established;
3. In a neighboring locality in which there are no commissioners, or in which the commissioners cannot sit by reason of illness, absence, or other inability to act, provided such locality is in the same district within a distance not exceeding ten leagues.

It has no jurisdiction in suits for slander, or for assault and battery, or relating to civil status, paternity, or seduction, or lying-in expenses; nor in suits for the recovery of any fine or penalty whatever.

It has jurisdiction in suits for the recovery of assessments, not exceeding twenty-five dollars, imposed for the building of churches, parsonages and church yards.

It may in matters within its jurisdiction, grant: attachments for rent, attachments in revendication; attachments by garnishment after judgment: simple attachments or attachments by garnishment before judgment for sums exceeding five dollars, whenever it is established by the affidavit of the plaintiff, or of his agent, that the defendant is secreting or is about to secrete his property or absconds or is immediately about to leave the province, with intent to defraud his creditors.

Any minor above the age of fourteen years may bring a suit before a commissioners' court for the recovery of wages or salary, in the same manner as if he was of age.

### Appeals.

In all cases where no appeal is given from the inferior courts above mentioned, the case may be evoked before judgment, or the judgment may be revised, by means of a writ of *certiorari*, unless this remedy is also taken away by law.

The remedy lies nevertheless, only in the following cases:

1. When there is want or excess of jurisdiction;
2. When the regulations upon which a complaint is brought, or the judgment rendered are null or of no effect;
3. When the proceedings contain gross irregularities and there is reason to believe that justice has not been or will not be done.

The writ of *certiorari* can only be granted upon motion, supported by an affidavit of the facts and circumstances of the case.

A previous notice of time and place at which the motion will be presented must be served upon the functionary seized of the case, or who rendered the judgment, and a return of such service is made as in any other case.

The service of such notice has the effect of suspending all proceedings in the court below.

The motion must be presented to the Superior Court or to the Circuit Court, or to a judge. The opposite party is entitled to appear and make any oral objections of a nature to prevent the granting of the writ of *certiorari*.

## DISTRICT MAGISTRATES' COURT.

### Constitution of the Court.

These courts have civil and criminal jurisdiction. They are established and the magistrates are appointed by the Lieutenant-Governor, whenever he thinks proper, in any county, city or town in the Province.

In the County of Saguenay, additional Magistrates' Courts, in excess of the number of magistrates specified by the law, can be established, with the powers and jurisdiction of other Magistrates' Courts, and the amount of their civil jurisdiction shall further extend to all sums or values not exceeding two hundred dollars.

The Magistrates reside respectively in the district or in one of the districts assigned to them, but in districts where no judge of the Superior Court resides they must reside in the chief place of such district.

### Sittings.

If the Circuit Court be held in one place only in the county, the Magistrates' Court shall be held at that place.

If the Circuit Court be held in more than one place in the county, the Magistrates' Court shall be held in one of such places to be fixed by the Lieut.-Governor-in-Council.

In either of such cases, the Clerk of the Circuit Court shall be the Clerk of the Magistrates' Court.

If the Circuit Court be not held in the county, the Lieut.-Governor-in-Council may fix the place where the Magistrates' Court shall be held, and may appoint a clerk.

### Powers and Jurisdiction.

Every district magistrate has, within the judicial district or districts for which he is appointed, all the powers, authority, rights and privileges by law vested in any one or more justices of the peace in this Province, and in any judge of the sessions of the peace and in any district magistrate of this Province.

The Magistrates' Court has an ultimate jurisdiction to hear, try and determine:

1. All suits whether personal or real, wherein the sum or value demanded does not exceed fifty dollars.

2. All suits for the recovery of school rates, taxes, assessments or contributions, or of rates, taxes, assessments, penalties, damages or sums of money whatever, due or payable in virtue of the Municipal Code, or any acts amending the same, or under the act respecting abuses prejudicial to agriculture, or any acts amending the same, or in virtue of any special act incorporating any city or town municipality or of any act amending the same, or in virtue of any by-laws or regulations made under the authority of such acts ;

3. All suits for the recovery of penalties incurred, and of sums due or payable to the treasurer of this province under the license law of Quebec.

Provided, however, that in all such suits the defendant resides within the county for which the court is held, or that the debt was contracted therein and the defendant resides in the province.

When the amount of rent claimed or the amount of damages alleged does not exceed fifty dollars, the magistrates' court has jurisdiction in actions to annul or to rescind a lease, or to recover damages resulting from the contravention of any of the stipulations of the lease, or the non-fulfilment of any of the obligations which the law attaches to it, or which result from the relation of lessor and lessee ;

And all proceedings in and the proof and hearing of the said actions shall take place in a summary manner and on any juridical day, whether such day be or be not fixed as one of the days on which the said magistrates' court can sit.

The civil and criminal jurisdiction of district magistrates is concurrent and shall not interfere the one with the other.

They may exercise both on the same day, and the exercise of one jurisdiction may be suspended to allow the magistrate to do any act or perform any duty belonging to the other, and be again resumed.

### COURT OF GENERAL SESSIONS OF THE PEACE.

This court has jurisdiction over all matters relating to the preservation of the peace, and also in all matters cognizable according to the laws of England in force in this Province.

This court is held, for the districts of Montreal and Quebec, in the cities of Montreal and Quebec, and the Lieutenant-Governor may direct that such courts may be held in the chief place of any other district where the Superior Court is held.

Except in Montreal and Quebec, this court may be holden in the Province by any two or more justices of the peace for the respective districts in and for which it is established.

Except in the cities of Quebec and Montreal, each of the judges of the Superior Court may hold any court of general sessions of the peace. He shall hold any such court to be holden in the district which is assigned to him, whenever there would otherwise be a failure of justice for want of a quorum of justices of the peace to hold such court. Whenever any such judge holds such court, he shall hold it alone, without the assistance of any justice of the peace.

The recorder or the judge of the sessions of the peace, at either of the cities of Quebec and Montreal, may preside over the court in the city in which he is such recorder or judge of the sessions, or may hold such court alone, without the assistance of any justice of the peace.

In case of the establishment of courts of general sessions of the peace in either of the districts of Three Rivers and Saint Francis, the Lieutenant-Governor may appoint a barrister of at least five years' standing to hold such court in such district.

Such officer shall, without possessing any property qualification whatever, be a justice of the peace for the district for which he is appointed, and has, as regards the holding of the court, the powers of a judge of the Superior Court.

The sessions of the court respectively continue and are holden until the court declares the same closed, which shall not be done until the court is of opinion that there remains no trial, matter or proceeding to be had or done by or before it, which cannot conveniently remain over until the then next sessions.

### Appointment of Constables, etc.

This court annually names so many residents as they think sufficient, in the places where the court is held, to be constables and peace officers for carrying into execution during the space of one year, the orders and decrees of the several courts and to preserve the public peace therein.

No civil or military officer, or any person in priest's orders, or in the profession or practice of physic and surgery, or any miller, ferryman, schoolmaster or student of any college or seminary, or any person not of full age, can be validly appointed as constable or peace officer.

### Appointment of Judges of the Sessions at Montreal and Quebec.

The Lieutenant-Governor may appoint fit and proper persons to be judges of the sessions of the peace for the cities of Quebec and Montreal, to execute the duties of justices of the peace at the police offices established therein and in all parts of the said cities, and such other duties as may be from time to time directed by the Provincial Secretary, for the more efficient administration of the police within the limits of the said cities; and the judges of the sessions of the peace are stipendiary magistrates, within the meaning of any act of the Imperial Parliament in force in this Province.

The judges of the sessions of the peace for the cities of Quebec and Montreal respectively, are, in virtue of their office, justices of the peace, and vested with all the powers and authorities of any one or two justices of the peace; and all judgments, convictions and decisions rendered by them, respectively, shall have the same force and effect as if rendered by one or two justices of the peace.

All the powers and jurisdiction conferred upon the judges of the sessions of the peace for the cities of Quebec and Montreal shall be vested in and may be exercised by the recorders and by the recorders' courts of and for the said cities.

### BAILIFFS.

As it is almost impossible to give an accurate list of the Bailiffs of the Superior and Circuit Courts, the editor has thought it advisable to abstain from publishing such a list.

**CORONERS.****Their Inquests.**

No inquest shall be held on the body of any deceased person, unless the coroner shall, prior to the issuing of his warrant for summoning the jury, have made a declaration in writing, stating that, from information received by him, he is of opinion that a crime has been committed, or that the deceased died from violence or unfair means, or under such circumstances as require investigation.

**Post Mortem Examinations.**

No coroner shall direct a *post mortem* examination of any body, upon which an inquest is being held, except upon the requisition of the majority of the jury, unless the coroner shall have made a declaration in writing that, in his opinion, the holding of a *post mortem* examination of such body is necessary, in order to ascertain whether or not the deceased came to his death from violence or unfair means.

**Expenses of Burial.**

Any human body, found within the limits of a city, town, incorporated village, parish or township, shall, unless it be disposed of under the provisions of chapter 76 of C. S. of C., be buried at the expense of the corporation of such city, town, village, parish or township, but the corporation may recover such expense from the estate of the deceased.

**Tariff of Fees.**

The costs for any proceeding, had or taken under the two preceding paragraphs, are regulated by the tariff, contained in the following schedule, and the coroner shall certify to the correctness of the same :—

To the coroner or physician, for every mile actually travelled by him, for the purpose of inquiring whether an inquest should be held, or of holding an inquest .....	\$ 0 10
To the coroner, for each inquest and return .....	6 00
To the coroner, for every day, exceeding two days in which he is actually engaged in holding an inquest .....	3 00
To the physician, for external examination .....	5 00
To the physician, for internal examination .....	10 00
o the constable summoning witnesses—each witness .....	30
To the constable summoning jury .....	1 00
To the secretary or clerk, in cases of extraordinary nature—per day .....	2 00
For chemical analysis, to comprise every analysis made on one body, or any parts of the same body—not to exceed for one inquest .....	20 00

Whenever a chemical analysis is deemed necessary by the jury and coroner, the latter reports to the Attorney-General, who selects the physician by whom such analysis is to be made; and if such inquest or analysis have been specially difficult, the Attorney-General may allow a greater sum.

All reasonable expenses—such as the leasing of a place to hold the inquest, taking charge of the body, notifying the coroner—may be allowed by the coroner.

In case the services of physicians are required, they will be rendered by a physician of the locality where the inquest is held, or of the nearest locality.

UNDER the Dominion Lands Regulations all surveyed even-numbered sections, excepting 8 and 26, in Manitoba and the North-West Territories, which have not been homesteaded, reserved to provide wood lots for settlers, or otherwise disposed of or reserved, are to be held exclusively for homesteads and pre-emptions.

### HOMESTEADS.

Homesteads may be obtained upon payment of an Office Fee of Ten Dollars, subject to the following conditions as to the residence and cultivation:—

In the "Mile Belt Reserve," that is the even-numbered sections lying within one mile of the Main Line or Branches of the Canadian Pacific Railway, and which are not set apart for town sites or reserves made in connection with town sites, railway stations, mounted police posts, mining and other special purposes, the homesteader shall begin actual residence upon his homestead within six months from the date of entry, and shall reside upon and make the land his home for at least six months out of every twelve months for three years from the date of entry; and shall within the first year after the date of his homestead entry, break and prepare for crop ten acres of his homestead quarter-section; and shall within the second year crop the said ten acres, and break and prepare for crop fifteen acres additional, making twenty-five acres; and within the third year after the date of his homestead entry he shall crop the said twenty-five acres, and break and prepare for crop fifteen acres additional; so that within three years, of the date of his homestead entry, he shall have not less than twenty-five acres cropped, and fifteen acres additional broken and prepared for crop.

Land, other than that included in Mile Belt, Town Site Reserves and Coal and Mineral districts, may be homesteaded in either of the three following methods:

1. The homesteader shall begin actual residence on his homestead and cultivation of a reasonable portion thereof within six months from date of entry, unless entry shall have been made on or after the 1st day of September, in which case residence need not commence until the 1st day of June following, and continue to live upon and cultivate the land for at least six months out of every twelve months for three years from date of homestead entry.

2. The homesteader shall begin actual residence within a radius of two miles of his homestead, and continue to make his home within such radius for at least six months out of every twelve months for the three years next succeeding the date of homestead entry; and shall within the first year from date of entry break and prepare for crop ten acres of his homestead quarter-section; and shall within the second year crop the said ten acres, and break and prepare for crop fifteen acres additional; so that

within three years of the date of his homestead entry he shall have not less than twenty-five acres cropped; and shall have erected on the land a habitable house, in which he shall have lived during the three months next preceding his application for homestead patent.

3. The homesteader shall commence the cultivation of his homestead within six months after the date of entry, or if the entry was obtained after the 1st day of September in any year, then before the 1st day of June following; shall within the first year break and prepare for crop not less than five acres of his homestead; shall within the second year crop the said five acres, and break and prepare for crop not less than ten acres in addition, making not less than fifteen acres in all; shall have erected a habitable house on the homestead before the expiration of the second year; and on or before the commencement of the third year shall have begun to reside in the said house; and shall have continued to reside therein and cultivate his homestead for not less than three years next prior the date of his application for patent.

At the time of making entry, the homesteader must declare to the Land Agent under which of the foregoing provisions he elects to hold his land; and on applying for patent must prove that he has made permanent improvements on his land, to the aggregate value of not less than one dollar and fifty cents per acre, (equal to about six shillings sterling).

In the event of a homesteader desiring to secure his patent within a shorter period than the three years provided by law, he will be permitted to purchase his homestead and furnishing proof that he has resided on the land for at least twelve months subsequent to date of homestead entry.

### PRE-EMPTIONS.

Any homesteader may at the same time as he makes his homestead entry, but not at a later date, should there be available land adjoining the homestead, enter an additional quarter-section as a pre-emption on payment of an office fee of ten dollars.

The pre-emption right entitles the homesteader to purchase the land so pre-empted, on becoming entitled to his homestead patent; but should the homesteader fail to fulfil the homestead conditions, or to pay for such pre-emption within six months after he becomes entitled to claim a patent for his homestead, he forfeits all claim to his pre-emption.

The price of pre-emptions, not included in Town Site Reserves, is two dollars and fifty cents per acre. Where land is north of the northerly limit of the land grant along the main line of the Canadian Pacific Railway, and is not within twenty-four miles of any branch of that Railway, or twelve miles of any other Railway, pre-emptions may be obtained for two dollars per acre.

### INFORMATION.

Full information respecting the land, timber, coal and mineral laws, and copies of the Regulations, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, Ontario; to the Commissioner of Dominion Lands, Winnipeg, Manitoba; or to any of the Dominion Lands Agents in Manitoba or the North-West Territories.
